Lenah, and he knows nothing about it. Being asked if he knew mulatto Moll who lived with William Richardson? says he did; and that he knew her son Mark. Being asked if he knows at what age Mark was set Free? answers he thinks at the age of thirty one years. Being asked if he knew how long mulatto Moll has been Free? says he does not, but he knew her and she has not been dead many years; he has not seen her these seven or perhaps ten years; he further saith that he knew William Ford and his wife Hannah Ford, and was frequently at their House at reapings, but does not remember ever to have heard either of them mention any thing about Lenah; he further says that he never heard mulatto Moll called any thing but Free Moll, and she lived in a House between Mary Thomas's and William Richardson's when he first knew her and he has known her for a great number of years, but how long he cannot remember. Sworn this 21st day of May 1792. Before Jas. Disney. — Benjamin his mark Howell. —

The Deposition of Mrs. Alice Taylor aged about seventy seven years being first duly sworn on the Holy Evangels of Almighty God saith that she well knew old mulatto Moll otherwise called Free Moll; and often heard her say that she came out of the widow Lockwoods estate into the family of old William Richardson, and served her time out with him, and Mr. Richardson afterwards settled her on a part of his land and gave her, her maintainance. Being asked what time Moll served Mr. Richardson? answers that she did not remember how long, but from frequently hearing her call Daniel Richardson master, asked her why she called him so, being then Free, Moll answered and said she came from out of the Swamp from widow Lockwoods and had served her time with his Father old William Richardson but do not remember that she heard Moll, or any other person say how long she had served; Being asked if she knew old Lenah who lived with old Mrs. Sonej? answers that she never knew that there was such a person as Lenah; Being asked if she knew whether Moll had any Children while she lived with Mr. Richardson? answered that she heard Moll often speak of her daughter Lucy who lived with old Joseph Hill near Annapolis, that she had before she came to Mr. Richardson that she also knew Isaac, Mark, Ned, Tom, Mary Batson and Ann, but how many of the later number she had after she came to Mr. Richardson's she does not know, but she heard Mary Batson say about two years ago that she was far advanced in forty and further sayeth not.
