Twenty members of the Carrollton L. T. L. went to the County Home in Westminster on Sunday afternoon and as always, spent a very pleasant time with the inmates. The inmates were all gathered in the church room anxiously awaiting us. They were over joyed with the splendid program rendered by the children, also the fine lot of candy which was given them after the services. Gussie Blizzard, the superintendent of the L. T. L. can't quite express how proud she feels of the willing and ever ready workers of her L. T. L., and hopes to have more pleasure in store for them during the summer. Other societies should visit the home and both enjoy the visit as well as the pleasure it gives the unfortunate inmates. Several visitors were present who also enjoyed services and spoke of how well the children took their parts. Following is the program: Opening Yell, "Who are we?"; song, "America"; The Lord's prayer repeated in unison; welcome address by Walter Evans, Abdon Blizzard and Clark Ebaugh; 23 Psalm repeated in unison; song, "we will sing like the birds; address, Freida Ebaugh, "I can help the L. Mr. Myres is a crippled colored fellow and always enjoys taking part in the services; song, "We're the L. T. L's; yell, "America, "Free, Free, Free, etc". A splendid talk was next given to the children by Miss Mary Shellman; closing song, "God Be With You", Mizpah. The L. T. L. appreciates the kindness of Mr. Oscar Taylor who so willingly took them on their trip.

FOR FLETCHER'S
CASTORIA

These strikers who tied up the production of nails and thus held up house construction, will probably strike again soon because rents have advanced.

Torchlight campaign parades were given up largely because the boys got tired of marching. It might be different in these times when the girls are in politics too.

And the folks who kick on high costs of building repairs, can get some very healthful exercise by fixing up their own dwellings.

A FIRST MASS

On Sunday June 20th, St. John's Church was the scene of one of the most impressive ceremonies ever witnessed in our community, when the Reverend Richard Blackburn Washington of Virginia celebrated his first Solemn High Mass.

The beautifully decorated church was filed with the friends of the young priest and he was escorted from the Rectory to the Church by the First Communion Class clothed in white, each bearing an armful of cut flowers. The men of the parish formed a guard of honor to the procession along the Main street. Preceded by the altar boys, then the officers of the Mass robed in their vestments of silk and gold, the celebrant entered the main door of the church, passed up the center aisle as the choir under the direction of the Reverend Edward F. Reilly rendered the Hymn to the Holy Trinity, composed by E. T. Cook.

The pastor of St. John's Father Thomas E. McGuigan, in his sermon, traced the evidences of sacrifice and priesthood in the history of people back through the ages and showed how the sacrifice and priesthood of the New Law is the fulfillment of divine promise.

Father Washington is a convert to the Catholic faith. He studied in Rome, and later at Mount Saint Mary's College, Emmittsburg, Maryland, being ordained at that institution Sunday June 13th. He is a great-grandnephew of General George Washington. His great-grandfather, John Augustine Washington was a brother of the first president of our country. He is also a nephew of the Right Reverend Beverly Tucker of Virginia, bishop of the Episcopal Church.

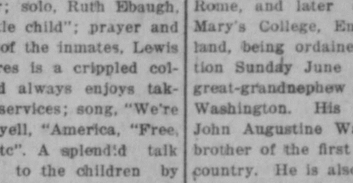

Assisting the young priest at the Mass were the Reverend W. Howard Bishop of Clarksville Maryland as Deacon, the Reverend Louis A. Rowan of Woonsocket, Rhode Island as Sub-deacon, the Reverend William E. Kelly of St. Elizabeth's Church Baltimore as Arch-priest. Mr. Henry Wolfe of Washington, D. C. was master of ceremonies.

Father Washington is a priest of the Richmond diocese and will labor in Virginia, the home state of his illustrious ancestors.

Monarch 100 Per Cent Pure Paint

No one argues now-a-days that paint is a luxury-It's not-its an absolute necessity. And the better the paint, the more of a necessity it becomes because paint has a distinct mission to fulfill. It's mission is to protect the painted property from the elements nature directs against it to destroy it.

The real test of paint value is shown by its covering capacity, its durability or lasting qualities and its permanency of color. A high grade prepared paint made upon a lead and zinc base may be used successfully for all purposes.

LEAD WHEN USED ALONE, DOES NOT MAKE AS SERVICEABLE A PAINT AS LEAD AND ZINC GROUND TOGETHER IN PURE LINSEED OIL AND COLORS. ZINC HAS COME TO BE RECOGINIZED AS AN INDISPENSABLE INGREDIENT IN PAINT LEAD WHILE QUITE NECESSARY, IS TOO LIKELY TO CHANGE WHEN USED ALONE-BY THAT IS MEANT IT DISCOLORS EASILY, AND WHEN EXPOSED TO THE AIR IT CHALKS OFF AND LEAVES THE WOOD EXPOSED. Zinc which is a more durable metal retains its whiteness, also gives tone to the colors and permits incorporating the largest possible quanity of linseed oil in each gallon of paint, thus giving life and durability to paint. A mixture of both lead and zinc is, therefore, necessary to obtain the best results. MONARCH 100 Per Cent PURE PAINT CONTAINS JUST THE RIGHT PROPORTION OF LEAD AND ZINC GROUND IN PURE LINSEED OIL, AND IS, THEREFORE, GUARANTEED TO WITHSTAND THE HARDEST CONDITIONS OF SERVICE FROM TROPICAL HEAT AND EXTREME COLD.

MONARCH 100 Per Cent PURE PAINT is made to use--to protect--to preserve--to beautify, and because it works easiest, spreads farthest, covers most uniformly and wears longest, it gives ONE HUNDRED Per Cent SERVICE, hence is a prepared or finished paint that is equaled by few and surpassed by none.

CONSIDERING ITS PURITY, ITS LONG WEARING QUALITIES ITS GREAT COVERING CAPACITY, ITS PERMANENCY IN HOLDING COLOR IT IS THE CHEAPEST PAINT ON THE MARKET TODAY. LET YOUR NEXT PAINT JOB BE A MONARCH JOB. DON'T BE TALKED INTO USING ANY OTHER.
