Overseer for Bosley at that time, Answers he was Question by Plff. Have you not understood by Mr. Bosley that he was dissatisfied that the fence now shewn by you did not stand higher up on Mr. Tolleys land he did he was reflecting upon himself afterwards that he had not gone farther up – Question by Defendant Does the fences from this rock stone to the Corner by the old Mill race stand in the same place at this time that they stood at the time the dispute happened between Mr. Bosley and Mr. Tolly Answer he believes it stands in the same place and further this deponent saith not taken and swan to on the survey this 25th day of September 1798. Ralph Ford

James Gittings Lessee against Aquila Hall

The Deposition of George Buchanan about fifty seven years of age being swan on the Holy Evangelist of Almighty God deposeth and saith that at the time he this deponent bought part of Hills Forest from James Bosley that the said Bosley begun in or near the place know shewn the sheriff and surveyor to run the deviding line between this deponant and Mr. Rea and they run the said line near the several places as now shewn the sheriff and surveyor Being asked by the Plantiff Doth you know upon what principal you begun to run the said line as shewn by you at or near the said begining shewn by you, this deponent saith that they begun at a bounded tree and run to this said begining, being also asked doth you know where the bounded tree is this deponent saith he cant swane to it, but it is on the hill and he does not know where to find it. Being asked as above Doth you know weather you run the above derection line shewn as above by laying down the whole track of land called Hills Forest as run course and distance from the point of the needle or did you correct the running of the same by any allowance of variation either upon the whole tract or the derection line so shewn by you this Deponent saith he did not run with any variation nor doth not know that they run Course and distance and further this deponent saith not – Taken and Swom to on the survey, this 19th day of September 1798. Geo: Buchanane

James Gittings Lessee against Aquilla Hall

The Deposition of George Buchhannan aged about fifty, seven yeaes being swan on the Evangelist of Almighty – deposeth and saith that at the time he bought the land

Land of James Bosley he this deponent bought the same to the fence now shewn to the sheriff and surveyor and the land which he this Deponent brought was by the name of Hill Forett being ashed by the defendant were not these fences now shewn the sheriff and surveyor shewn by James Bosley to this deponent as standing on the deviding line between James Bosley land and Mr. Tolleys land this deponent saith they were Being also asked as above Did you pay James Bosley for any more land that what was Contained in Hills Forest as running by these fences now shewn the sheriff and surveyor this Deponent saith he paid for no more than what he bought of him – Being asked as above was it not laid of to you as these fences run this deponent saith it was as far as the Cross fence. Being also asked as above had you not a plot made out of the land you purchased of James Bosley this deponent saith he had being also asked what did you do with that plat this deponent saith it is either lost or mislaid being ashed as above did you ever lay Claim to any land to the North of the fences now shewn the sheriff and surveyor This Deponent saith he did not Being ashed by the Plaintiff Do you not known of James Bakers having Caveted Aquilla Hall upon a Certificate returned by him into the land office of this State comprehending the land which lyes between the north Est of a line of My Lord Baltimore's Manner and the Noth Est line of Cullens lott and Cullens addition and did you not promise James Baker to assist in the suport of the said Cavell this deponent saith that James Baker told him that he had entred a Cavell against Aquilla Hall and he promised to Assist him being ashed as above Did not James Bosley informm you at the time of your purchase of Hills Forest that if he chose he might recover some lands to the north of the fence as now shew by him and according to which he run out Hills Forest when he brought the same of James Bosley, this Deponent saith that James Bosley told him that he might recover some land from Aquila Hall if he went to Law with him being also ashed as above did not you understand James Bosley when he told you as above that you might recover some lands of Aquilla Hall if you choose to go to Law with him that he alluded to land which lye to the Northward of the fence as now shewn by him this Deponent saith that
