supposes that it was Being asked as above Did you ever give Thomas Jenning Esquire a fee for his advice upon the subject of the recovery of such land this Deponent saith that he gave him a fee to know how to keep his own land being also asked had any person layed claim to or brought suits against you for any of the lands part of Hills Forest which you had in possession and if any what person this Deponent saith, No but he did not know but some person might Being asked by the Defendant, Did you consider it of any consequence when James Bosley told you that you might recover some land of Aquila Hall if you went to law with him this deponent saith that he thought very light of it and further this deponent saith not, Taken and sworn to on the survey, this 19th September 1798.

Geo: Buchanan

James Gittings Lessee
against
Aquila Hall

The Deposition of George Gouldsmith Presbury Jr. aged about 38 being duly sworn on the Holy Evangells of Almighty God in the presents of the sheriff and surveyor and the parties Cause deposeth and saith that on the 28th of July 1783. that this deponent was present at an agreement made between James Bosley, and his Grandfather Walter Tolley ~~and his~~ respecting the bounds of their lands called Cullens addition and Hills Forest that they came to an agreement on that day and that Deponent together with Aquila Hall witnessed the same at their request who seemed each very well satisfied with the agreement which they then executed and expressed themselves in this deponents presence after executing this agreement as being well satisfied therewith that the same agreement which was then executed is now shewn to this deponent and is the same that he signed as a witness that before the instrument of writing was executed James Bosley Aquila Hall who then acted for Walter Tolley, and this deponent walked out to this place and there sood on this broad rock stone now shewed the sheriff and Surveyor and then and there James Bosley and Aquila Hall agreed in the words expressed in the writing agreement from that Stone they walked to a locust Thickett and the fixed on two Locust bushes one of which this deponent believes was one that was marked by James Bosley one that day to be the dividines line as expressed in in the said Agreement which bush this Deponent now shews to the sheriff and surveyor from thence

thence they went to a Walnut bush which is now cut down and and some sprouts growing from the root said Walnut bush was also fixed by the parties as a dividing boundary between the parties and agreed to by bothe of them and the line was to run from the said Walnut bush with an old fence which then stood as a dividing fence between James Bosley and Walter Tolly and this deponent thinks it now stands in or near this place, Being asked by the Plaintiff wheather Mr. Bosley had a counterpart or Copply of of this agreement refered to in this Deposition, this Deponant saith that he signed but the one or saw but the one Being also asked wheather he knew that James Bosley Could read writing or not, This deponent saith that he could not tell but he has heard that he Could not Being also asked, wheather the recited agreement was read to James Bosley or not and this Deponent saith it was by Aquilla Hall being also asked were you shewn on that day the Cherry tree refered to in this agreement or have you been shewn it since by any other person and by whom he saith that he never seen it till the other day when it was shewn by Aquila Hall, Being asked farther by the Plantiff wheather or not he knows any thing of Mr. Tolley having subsequent to the date of this agreement and agreeable to the tenor of the same fixt and established the lines of his lands called Cullens Lott and Cullens addition so as to run with and bind on the manner line as required by this agreement to which this deponent saith he dont Being asked as above wheather he knows any thing of Mr. Tolleys haveing released and conveyed unto the said James Bosley his heirs and Asigns all his right title and interest in and to all that land which is included within the lines of Cullens Addition which lies to the South and South Est of a line mentioned in this agreement as begining at a Cherry Tree marked with three Notches and running thence to a broad rock Stone Called for in the same thence to a locas bush marked with six Notches als noted in the said Agreement provided it left a dream within the lines of said Bosley and from thence to the walnut bush proved by you This Deponent saith he knows nothing about it Being also asked, wheather there was not a number of Locas bushes of the same kind and on the same side of the fence that the one now shewn standing on to which he saith there was Being also asked again Wheather he thinks the fence has been moved or not, and this Deponent saith he thinks it has been moved to the North
