Guy Holbrook, the efficient and popular driver of the bus will continue in the service and for the present there will be no change in the schedule.

The Democrats who are talking about an extra session of the Legislature in order to amend the registration law by giving more time to registers in the counties to register women voters are not thinking as much about the women as they would have one believe. The people of Maryland know what extra sessions of the Legislature mean for them and the Democrats are fooling no one.

This week a large number of persons watched Ernest Snyder, a steeple jack, assisted by A. J. Jarrett, both of Baltimore, take down the gilded cross from St. John's Catholic Church steeple. The steeple of the church is 202 feet high and the cross is 8 feet high and 5 feet wide. A recent storm bent the upright which held the cross in position and it became necessary to put in a new upright. While the cross is down it will be covered with gold leaf.

John Conaway, a merchant of Eastview, this county, was severely injured by a electrical shock in this city Saturday. A pole bearing wires of the town arclights stands in front of the court house. A cable for raising and lowering the arc light extends from the top of the pole to a winch about six feet from the ground. Mr. Conaway put his hand on the pole to tie his horse. An electric wire touching the top of the pole sent the charge down the wood and cable, wet with rain, and Mr. Conaway was thrown to the ground. Charles Mackley assisted him to the office of Charles O. Clemson, where Dr. Fitzhugh gave him attention.
