Belgian Veterans Band On Tour

Composer of "Birth of a Nation" Music Is Director

Martial music by veteran soldiers! One's blood fairly tingles in anticipation. Some way the martial spirit in music thrills and sways an audience as little else does.

Martial music by a Belgian Veterans' Band! One thinks of heroic Belgium blocking Germany's road to the sudden victory she had planned; of Belgium holding vast armies at bay while the allies could leap to arms; of Belgium ravaged, burned, devastated, suffering as few nations have suffered; of the soul of Belgium too honorable to yield, willing to endure martyrdom rather than compromise with militarism and oppression: And in the martial music of this band there is that unconquerable, uncompromising soul of Belgium surging in heroic devotion, crashing in sublime protest, sobbing in heartbreaking pathos, and at last singing its pean of triumph.

Emile Michaux, the talented director, is, like most of his men, a veteran of the Royal Belgian Army, of one of whose bands he was a member. He has more than sixty meritorious musical compositions to his credit, a few of which will be played at Chautauqua. American audiences will be interested in the fact that he composed the distinctive and remarkably effective musical accompaniment for the famous "Birth of a Nation" movie film.

Directed by this musical genius, the Belgian Veterans' Band will render not only the greatest musical offering of the week, but also the most elaborate musical treat ever presented to Chautauqua patrons. The program will not be devoted entirely, nor perhaps principally to martial music, but will include selections of all kinds ranging from the popular to the classic. There will be numerous special features, including a cornet solo by M. Michaux, horn duets, quartets, and sextets, beside the great arias sung by Miss Florence Withrow, the American soprano whom M. Michaux has selected and coached especially for this tour.

The Third Day is Band Day—Belgian Veterans' Band Day. Don't fail to get it.

SUNDAY SCHOOL LESSON

(By REV. P. B. FITZWATER, D. D., Teacher of English Bible in the Moody Bible Institute of Chicago.)

(Copyright, 1920, Western Newspaper Union.)

LESSON FOR AUGUST 29

BEGINNING OF SOLOMON'S REIGN

LESSON TEXT—I Kings 1:5; 3:13.

GOLDEN TEXT—The fear of the Lord, that is wisdom: and to depart from evil is understanding.—Job 28:28.

PRIMARY TOPIC—Solomon's Choice.

JUNIOR TOPIC—Solomon's Wise Beginning.

INTERMEDIATE AND SENIOR TOPIC—Choosing the Best Things.

YOUNG PEOPLE AND ADULT TOPIC—True Wisdom and How to Get It.

I. Solomon Anointed King (1: 5-40).

David had hitherto failed to show the people who should be king after him (v. 20). He is now stirred to action by the combined appeals of Bathsheba and Nathan. He immediately sent for the faithful three, Zadok, Nathan and Benaiah, and bade them to anoint Solomon king. They speedily executed their commission and soon the people shouted "God save king Solomon!".

II. Solomon's Acts to Establish His Kingdom (1: 41-2: 46).

Coming to the kingdom at such a time as this, he noted certain dangerous elements, which, if allowed to develop, would weaken if not destroy his rule.

1. Adonijah placed under surveillance (vv. 41-53). Though he had attempted to usurp the kingdom, Solomon placed him on good behavior. In this treatment, Solomon displayed both clemency and dignity, which are praiseworthy in a ruler.

2. Adonijah executed (2: 13-25). Solomon ordered him executed because he made an underhanded effort to become king.

3. Abiathar removed from the priesthood (2:26, 27). This man had joined Adonijah in his plot of usurpation. Solomon removed him from office and appointed Zadok in his stead.

4. Joab executed (2:28-35). Joab, too, was a party in Adonijah's rebellion. Beside this he had treacherously murdered his rivals in the army. He was succeeded in the generalship by Benaiah.

5. Shimei executed (2:36-46). Shimei had deserted David and joined his enemies, even bitterly cursed him. Solomon first paroled him and confined him to Jerusalem, but when he broke his parole he had him executed.

III. God's Gracious Offer to Solomon (3:4, 5).

Solomon made a lavish sacrifice to the Lord. It was not that the Lord cared for the number of animals, but the attitude of the man's heart toward him. "Ask what I shall give thee" placed very wide possibilities before the king. God, as it were, signed blank checks and turned them over to Solomon to fill in any amount that his heart desired.

IV. Solomon's Wise Choice (3:6-9).

The Lord's gracious offer brought the king face to face with the responsibility of making a choice. God so deals with his children that a choice must be made by everyone. Solomon was keenly sensible of the difficulty and the responsibility of his position. David was a great king. For a young man to take up the work of an illustrious father and push it to completion is a most difficult task. Besides all this, the disturbing elements set in motion by the usurper, Adonijah, were to be dealt with. In his reply to God he pleads that he was not king as a result of his own choosing, but because of God's loving kindness. All who have been called of God to fill positions of honor and trust can truly exercise that same boldness of faith. When called to positions of honor and trust we should not become high-minded and vain, but humbly present ourselves before God for help.

V. God's Unstinted Gift to Solomon (3:10-15).

Solomon's speech pleased the Lord. The Lord is always pleased when we place ourselves before him in such attitude. Solomon got more than he asked for. Because he put wisdom first, God saw that he could be trusted with material good, also. Christ taught the same thing when he said, "Seek ye first the kingdom of God and his righteousness; and all these things shall be added unto you."—Matt. 6:33. He that puts God and spiritual things first in time and importance can be trusted with temporal things. That which God promised him above what he asked was riches, honor and length of days. All who feel the lack of wisdom can go to God with confidence (James 1:5). God blessed Solomon with a singularly comprehensive mind (I Kings 4:29-34). He was a botanist, zoologist, architect, poet, and a moral philosopher. When we ask what God wills, we shall surely get what we ask.

To Cheer Thee on Thy Way.

Neither hurrying nor slackening, but sure of thy great and glorious destiny, walk thou; and presently all around thee shalt thou see the similitude of him who thou seekest: He shall send a multitude of messengers in advance to cheer thee on thy way.—Edward Carpenter.

Common Sense.

Common sense is, of all kinds, the most uncommon. It implies good judgment, sound discretion and true and practical wisdom.—Tyron Edwards.

AMERICAN RED CROSS TO GIVE RURAL HELP

Program for Public Health and Community Welfare Is Now Well Under Way.

Rural communities and towns of less than 8,000 population benefit in a very large part by the public health and community welfare work of the American Red Cross. Almost all of the 3,600 Red Cross chapters have some rural sections in their territory. Therefore the Red Cross Rural Service.

Briefly, the purpose of Rural Service is to assist people to get out of life more health, wealth and happiness. In this purpose public health instruction and general educational progress of both children and adults play a big part.

Recreation is found to be one of the biggest needs in rural life. There is lack of sufficient play-life for the children and social life for the adults. Picnics, pageants, debating clubs, baseball leagues, community singing and other social events which bring the people of surrounding communities together have been organized and carried on under the guidance of Red Cross rural workers to great advantage. In many instances solving recreational problems and getting people together proves to be the awakening of the community to other conditions which may be improved by united action.

As a result of community organization, townships in which there had been neither plans nor interest in community progress have been organized to work together with the unified purpose of bringing their community up to the most enlightened standards. Lecture and musical entertainment courses have been started as a result of community meetings, as well as circulating libraries, Red Cross schools of instruction in Home Nursing, Care of the Sick and First Aid. In the larger towns the need for restrooms and public comfort stations is being met. Playgrounds for the children have been established and recreational activities worked out for the year.

In order that there may be concerted effort in carrying on the programs of the various welfare agencies in the rural districts, Red Cross Rural Service helps the organizations already on the ground. The main object of the service is to lend a hand everywhere and take the lead only where necessary.

JUNIOR RED CROSS ACTIVE IN EUROPE

Garden seeds for Polish orphans, milk for anaemic Greek babies, carpenters' tools for Czecho-Slovakian cripples—these are only a few of the gifts that young Americans are sending to the war-crushed children of the Old World.

Through the Junior Red Cross the boys and girls of the United States are giving a fresh start in life to little war orphans scattered all over Europe. They have set up orphans' homes in France, school colonies in Belgium and Montenegro, and day schools in Albania.

They are sending dozens of young Syrians, Montenegrins, and Albanians to American colleges in Constantinople and Beirut, and maintaining more than a hundred orphans of French soldiers at colleges and trade schools. In orphanages and farm schools up and down the peninsula of Italy there are nearly 500 wards of American Juniors.

Last winter a thousand French children from the inadequate shelters of the devasted regions were sent by the Junior Red Cross to spend the cold months in warmer parts of France. At the same time five thousand little Belgians were having a hot lunch every day at Junior Red Cross school canteens.

American school children have already raised something like a million dollars for these enterprises, and they are still hard at work.

In China, through campaigns of education, the Junior Red Cross is helping to combat widely prevalent blindness and cholera.

RED CROSS RELIEF IN CENTRAL EUROPE

But for timely assistance of the American Red Cross during the last year, a large proportion of the 20,000,000 population of the Balkan States might have starved or perished from disease or exposure. Six million dollars worth of food, clothing and medical supplies have been sent to the Balkans—Roumania, Bulgaria, Albania, Montenegro, Serbia, Bosnia and Greece—since the beginning of Red Cross relief operations in Central Europe, while millions of dollars worth of food alone has been sent to the needy in these states.

The money expended by the Red Cross in this stricken portion of Europe has been used to set up hospitals, orphanages, dispensaries, mobile medical units and to help in the general reconstruction of devastated areas. American tractors and other farming implements have been sent to the agricultural regions where aid has been given in plowing the land.

By the last of this year probably all American Red Cross agencies administering relief in Central Europe will have withdrawn. By that time, it is believed, the people will have approached a normal state of living and will be able through their own agencies which the Red Cross has helped set up to provide for themselves.
