PAIGE

The Most Beautiful Car In America

THE fame of our five-passenger "Glenbrook" has traveled from state to state, city to city and this car now occupies an unchallenged position of leadership in the field of five-passenger vehicles

Everyone, apparently, recognized in this model an engineering and designing achievement of the utmost importance.

Designed and built in the Paige shops and powered with our six cylinder motor it surpasses every standard heretofore accepted as the best in light six motor cars.

Compare it with any five-passenger car that the market affords and determine whether it is not, indeed, the greatest dollar-to-dollar value in the light six field.

THE BEST PROOF

Given by a Westminster Citizen

Doan's Kidney Pills were used—they brought benefit.

The story was told to Westminster residents.

Time has strengthened the evidence, has proven the result lasting.

The testimony is home testimony—The proof convincing.

It can be investigated by Westminster residents.

C. H. Campbell, 25 Johns St., Westminster, says: "My back was always weak and tired very quickly. The greatest of my troubles was a dragging ache directly over my kidneys. I was growing more miserable all the time and when I saw Doan's Kidney Pills advertised I got a box at Moore's Drug Store. They strengthened my back and gave me immediate relief."

NEARLY NINE YEARS LATER, Mr. Campbell said: "I cannot praise Doan's Kidney Pills too highly. They gave me permanent benefit and I think a great deal of them. All sufferers of kidney complaint should give Doan's Kidney Pills a trial for they are a wonderful medicine."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Campbell had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

MANCHESTER

The work on our streets has almost reached a crisis as to travel. The concreting has almost reached the macadam line on South Main street that will then cut off all travel south and the grading of the square and Foundry Avenue will be finished by the end of the week that then will be closed to all travel leaving the alley on the East of town and the detour at the sharp curve on the state road west of town coming into North Main street for points north.

On Sunday at 2 P. M. Mr. H. Baily Morelock with his boys' band, enroute to Westminster, stopped on the square and formed on the concrete driveway and gave a short concert that brought a large crowd that not only enjoyed the fine music but the fine display and the manly bearing of the members for which the citizens were thankful with the hope that at some future time we have them with us again.

Sharer on York street to extend their congratulations to the brother upon the fiftieth anniversary of his membership of the above Lodge. Although the brother was not aware of our coming the members of the family were, and a hearty welcome awaited us and we were soon enjoying the social circle until at an opportune period the brother was presented with a large chart nicely framed which he received with thanks followed by talks by Rev. R. J. Freeman, P. G. Burgoon and brother Bollinger, of Hanover Lodge. A social hour was enjoyed by an examination of the chart and indulgences in reminiscences of the half century's doings in old D. and J.
