LETS BABY SLEEP ALL NIGHT.

WHO INDEED? 'TWAS WOODROW.

Who watched and waited long ago,
And vacillated too and fro,
And made a mess in Mexico?
'Twas Woodrow.

When Germany provoked a war.
Of frightfulness unheard before,
Who wrote epistles by the score?
'Twas Woodrow.

Who watched the havoc Germans wrought,
And our aid poor Belgium sought,
Who preached neutrality, in thought?
'Twas Woodrow.

Who saw French cities over run,
And desecrated by the Hun,
And said that nothing could be done?
'Twas Woodrow.

When citizens were killed at sea,
Who raised his head and said, "dear me"
How rough and rude these Germans be,
'Twas Woodrow.

When we were asked to aid their plight,
Of Allies struggling for the right.
Who said we were too proud to fight?
'Twas Woodrow.

But when at last the country chose,
To raise in arms against our foes,
Who quickly struck a martial pose?
'Twas Woodrow.

And when the task was scarce begun,
Of vanquishing the frightful Hun,
Who talked of quitting 'ere 'twas done?
'Twas Woodrow.

When need was great of Generals good,
Who did the meanest trick he could,
And side tracked General Leonard Wood?
'Twas Woodrow.

When fighting men at double quick,
Were making Hindenburg feel sick,
Who thought his letters did the trick?
'Twas Woodrow.

At Chatteau Thierry who fought well
And chased the Huns at San Michel,
And on the Meuse who gave them Hell?
'Twas Woodrow.

Then who should go with courage high,
And sit in conclave at Versailles,
And stick his finger in the pie,
But Woodrow.

And who the victory flush should feel,
And who adorn the official seal,
And who be written up by Creel?
But Woodrow.

Since Emperors from their thrones were hurled
For whom should banners be unfurled,
As Autocrat of all the world?
But Woodrow.

A Statue soon methinks we'll see,
The central sight at gay Paree,
Napoleon's great one vis-a-viz,
Our Woodrow.

There stands he, sword released from sheath,
There lies the Kaiser minus teeth.
And there the legend, underneath,
"I did it."

THE QUESTION OF SCHOOL AND ROAD BOND FOR CARROLL COUNTY

It is generally known that the voters of Carroll county will have the opportunity on November 2nd to vote on the question as to whether or not the County Commissioners shall be authorized to issue bonds for improvement of schools and roads.

The law provides that the County Commissioners may issue within five years bonds to the amount of $300,000 for road improvement, and bonds to the amount of $300,000 for school buildings. It does not require them to issue the bonds and they need not do so while the present scale of high prices prevails.

The Commissioners may use the amount derived from sale of bonds for road purposes either as a separate fund for the building of such roads as they may designate, or in connection with any State appropriation to the counties in aid of road construction.

For school purposes, the law provides in Section 14:-

"That the fund arising from the sale of "Public School Bonds" shall be spent by the said County Commissioners and the said Board of Education in the erection and equipping and permanent improvement of such new public school buildings and the enlarging and equipping of such old public school buildings as shall be agreed upon by the said County Commissioners and said Board of Education, exercising their best judgment and looking, however, to the best interests of all citizens of the county."

Sec. 6 provides:-

"That before the said Board of County Commissioners shall pay over to the said Board of Education any money for the erection and equipping of any new school building, or for the enlarging, equipping and permanent improvement of any old school building, the said Board of Education shall first file with the said Board of County Commissioners a full and detailed statement wherefrom it shall clearly appear that the money to be paid hereunder shall be sufficient to accomplish the respective purposes for which it is appropriated."

In a word, the law gives the County Commissioners authority to issue bonds to be redeemed within twenty years from date of issue. It entrusts to the County Commissioners and Board of Education, acting together as the servants of the people, the duty of determining how and when the money shall be expended.

Public school improvements are absolutely necessary in the county. If the money therefor shall not be provided by a bond issue, the payment of which shall be carried through a course of twenty years, it will be absolutely necessary for the County Commissioners to largely increase the tax levy from year to year, for this purpose, as they have a perfect right to do under the existing laws.

It is for the voters of the county to determine by their ballots which course they desire the County Commissioners to pursue.

Every voter in the county should vote on the question, either for or against the issuing of bonds. The writer of the above favors the bond issue, but feels that he cannot ask space in these columns to present at length the reasons for his position.

ANSWER THE ALARM

Westminster People Should Not Delay.

If your kidneys are inflamed,
Don't stand around and do nothing.
Like a fire it will soon be beyond control.
You will get the alarm in time—
Backache, or dizziness or disorders of the urine.
Heed the warning.
Give your kidneys a rest by living more carefully.
Use Doan's Kidney Pills to help stamp out the cause.
Profit by a Westminster woman's experience.

Mrs. Chas. Helderbridle, Carroll St., says: "A few years ago I had a bad case of backache. "The sharp pains that shot through the small of my back were like the thrusts of a knife and bothered me during the night. My kidneys acted irregularly and I was in terrible shape. At last a friend told me of Doan's Kidney Pills and I got a box at Moore's Drug Store. After using them I found great relief. Doan's Kidney Pills are a fine kidney medicine and should be used by all kidney sufferers."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Helderbridle had. Foster-Milburn Co., Mfrs., Buffalo, N. Y
