The agreement entered into between the Parties in this Cause—

Dorseys Lessee vs Hammond

It is agreed that all the locations references illustrations and explanations on the plat signed by us marked **A** and **B** shall by the Surveyor of Anne Arundel County be transferred and laid down on five separate plats, with an explanation to each to be returned to the General Court, and the Cause to be tried on them at October Term next the present locations to stand, either party if necessary to make any new locations giving the opposite party time to counter locate, and take proof— It is agreed that the five Depositions signed with our names and marked **C.D.E.F** shall be received in Evidence and read to the Jury on the Trial of this Cause— It is further agreed that the Certificate signed with our names and marked **G**, is the Original Certificate made for John Dorsey, and shall be read and received in Evidence as such— It is admitted that the Original Patentee of Dorseys Search lived many years after the land was patented and had a plantation and Quarter thereon, and died in 1714.— It is admitted that the present Ejectment is brought to recover the lands in dispute for the benefit of Richard Ridgely Esq.r and that the Resurvey called Dorsey Hall was located and made for the benefit of R. Ridgely and under his directions on the Original Tract granted in 1696 And that the said Ridgely had no Interest either
