Richard Battee

Ejectment in the General Court.

The Deposition of Baruch Fowler aged thirty one years, who being duly sworn and being at a stone claimed by the Plaintiffs to be in the place of the beginning of a tract of land called Selbys Marsh, deposeth and saith that in the year of seventeen hundred and ninety two he made

made the following entry in his field book "Pain Davis against James Mayo Tuesday April 26th 1792. For the plaintiff the defendant being present we went to a stone to make a beginning which was claimed by the plaintiff to be the beginning of a tract of or parcel of land called Selbys Marsh and was admitted by the defendant; But the Plaintiffs evidence not being to be got Conveniently before the seting of the ensuing Court and he having nothing in order to begin the survey By Consent of the defendant and Plaintiff we adjourned to the sixth day of August next. And this deponant further saith that this is the same place and stone that was shewn to him by the said Pain Davis and James Mayo and that William Goldsmith was present at the same time.

Baruch Fowler

The within deposition taken on part of the Plaintiff the second day of March 1798. Before John Welch Sheriff A A County.

Ann Davis and others Lessee
vs
Richard Batty

Ejectment in the General Court.

The deposition of William Brewer Junr of Anne Arundel County aged sixty five years being duly sworn deposeth and saith that the place he is now at claimed by the Plaintiffs to be the beginning of a tract of Land called Selbys Marsh being a stone a small distance from a large oak. This deponent further saith that the land which lies to the north and East of the two first lines of Selbys Marsh acclaimed by the Plaintiff has always been held in possesion and claimed by Robert Davis the Grand father of the Plaintiffs by the name of Lynhams Search and by his desendants ever since he can remember. This deponent further saith that he was brought up from his infancy on the tract of land called Larkinton and adjoining selbys marsh and Lynham Search and has lived on the said tract of land called Larkington all his life except three Crop Seasons, that he remembers the division line between Selbys March and Lynhams search from the Circumstance of having gone to school at a house near the same place claimed by the Plaintiffs as the beginning of Selbys March. This deponent further saith that he went of school fifty nine years ago at the said Place. This deponent further saith that the land between this place were we now are and the place claimed by the defendant to be beginning of Selbys March was a low miery swamp growing full of Green Briars. The deponent further saith that he has frequently when going to School assisted to drag Cattle out of the mire at the same place and some he has known to die there.

William Brewer Jr.
