A NOTE OF APPRECIATION FROM THE CIVIC LEAGUE OF WESTMINSTER

The Executive Board together with the Entertainment Committee of the Woman's Civic League take great pleasure in thanking everyone, from the greatest to the very least, who helped in any way to make their annual entertainment the success it was. These entertainments are not only a financial benefit to our town, but a social as well as an educational uplift. Special mention must be made of Mr. Osborne, who always sublets the Opera House at a very reduced rate and who helps in every way possible to make these occasions the great successes they are. Perhaps no other citizen of Westminster does quite as much as Mr. Osborne to help on the work of the Civic League. We want also to mention the Westminster Orchestra which delighted the audience with their bright, splendid music during the intervals of the play, and the mothers of the tiny tots who were so interested in getting their little ones to the rehearsals regularly and on time and who waited for them each night until the play was over. It was cooperation and good fellowship that made the work quite easy for the ladies in charge, and the entertainment, the social and financial success it was.

The amount received from the sale of tickets, candy, etc., was $760.98. The expenses were $231.30,leaving a balance of $529.68 to be divided between the John Rogers Co. and the league, giving the league $264.84.

"I'LL TALK WITH 'ANYONE'"

DO YOU know how to make a long distance telephone call?

If you have business to transact with the John Smith Company in Washington, for instance, there is more than one kind of a call you can make.

If anyone at that place will do, make a station-to-station call. Give the long distance operator the telephone number, or the name and address and be sure to tell her you will talk with "anyone".

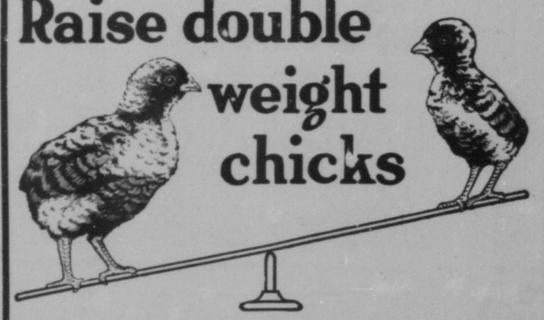

If it is essential that you talk with Mr. Smith or some other particular person, make a person-to-person call. In addition to the number, tell the operator who you want to talk to. A person-to-person call means extra operating work and it costs about one-fourth more than a station-to-station call.

Read the general information pages of your telephone directory for full explanation of all the various kinds of long distance calls and how to make them.

Raise double weight chicks

Chick growth depends partly on natural vigor due to mating stock and normal incubation, and largely on

Balanced Feed

which perfectly nourishes every part of the growing chick,—flesh, blood, bones and feathers. Grain alone is not balanced since it is largely lacking in proteins—the blood, flesh and feather forming elements. Grain fed chicks frequently grow slowly and feather out poorly. Balance the ideal grain ration, Purina Chick Feed with

Purina Chicken Chowder

and chicks will develop twice as fast. If Purina Chicken Chowder fed as directed doesn't produce this result at six weeks, your money will be refunded. Such a guarantee merits a further investigation and a fair trial. Call today for your checkerboard sack.
