And be it further resolved: That a copy of this resolution be sent to the Board of Education and Board of Co. Commissioners and that it should also be spread upon the minutes of this meeting."

A committee representing the Washington Camp, No.7 P. O. S. of A. of Pleasant Valley appeared before the Board for the purpose of asking the Board of Education to purchase the building and lot with additional land now used for school purposes at Pleasant Valley, the price for the same being $4000. A VERY SUCCESSFUL REVIVAL MEETING NOW IN PROGRESS AT THE CHURCH OF GOD. 37 CONVERSIONS

The revival meetinng at Church of God is still in progress, with a growing interest each night. There is hardly a night that there are not new faces in the audience. People are attending these meetings from a distance of ten and twelve miles in the country. So far there have been 37 conversions.

A public baptismal service was held in the Church of God bethel in this city last Sunday afternoon at 3 P. M. A very large crowd witnessed the very solemn and impressive service. It was the first baptismal service in the Church. There were 16 baptized in the new baptistry. There will be another baptismal service next Sunday evening after the evening service. The pastor will preach an Easter sermon. Text found in Romans 6:4 "We Also Should Walk In Newness Of Life".

There will be meetings each night this week and probably all of next week. The pastor and Church are praying for one hundred souls, truly, more than a hundred in Westminster needs the cleansing blood of the redeemer. Remember there is only one who can speak man's sins forgiven, and his name is above every name. For it is written "At the name of Jesus every knee shall bow, and every tongue shall confess to God."

To the unsaved who are reading these lines, will you not come to the meetings and "PREPARE TO MEET THY GOD" while you have time, place and opportunity? The clergy and laity of all the churches are invited to co-operate in these meetings. May God bless and save the young and old of Westminster. This is a fervent prayer of the pastor of the Church of God,

John H. Gonso.

CARDINAL GIBBONS, HEAD OF THE CATHOLIC CHURCH IN AMERICA DEAD

Was A Frequent Visitor To This County.

James Cardinal Gibbons died at 11.33 o'clock in Baltimore yesterday morning, passing from sleep to lifelessness so quietly that even his nurse a Bon Secours nun could not be sure that it was the end. She had seen the change that betokend it, but it was slight, almost imperceptible, and five minutes passed while she leaned above the slight, still form, watching.

Then from the gray house where he had lived and worked, in the shadow of the Cathedral of the Assumption of the Blessed Virgin Mary, whence he had sent unsparing gifts of himself and his love and care to a people that had learned to revere his name, went forth the news that he had died.

TO BE BURIED UNDER CATHEDRAL ALTAR

His grave will be a niche in the crypt under the high altar of the Cathedral. A slab of marble carved with an inscription in Latin in the north of the crypt will mark the resting place of all that is earthly of one of the greatest American churchmen of all time. Above this vault, dark as night in the daytime, behind whose south wall lie the six Archbishops of Maryland who preceded him, is the sanctuary of the Cathedral to which Cardinal Gibbons' parents brought him as a baby to be baptized, where he was consecrated a Bishop, where he was later consecrated an Archbishop, and where, on June 30, he was invested with the robes of the Cardinalate.

Yesterday the auction sale of horses and mules conducted by the well-known liveryman and horse and cattle dealer of this city, despite the rain, attracted a large crowd of farmers and horsemen to this city The sale had been well advertised and good prices prevailed. About 110 animals were sold, ranging in prices from $7 to $200.

Mr. King's next sale will be held April 7 when 100 horses and mules will be offered. His experience has taught him that 100 animals is about the limit for a day's sale.

HEROISM SHOWN BY AMERICAN WORKERS OF NEAR EAST RELIEF

Cables Reveal Appalling Armenian Need—Hundreds of Thousands Starving.

By CHARLES V. VICKREY
General Secretary, Near East Relief

Charles V. Vickrey

Approximately 500 American men and women are standing loyally and heroically at their posts in Armenia, Turkey and the Near East. Many of them during the long winter of isolation are undergoing what we in America call "hardship." But these, our fellow citizens in the Near East, are volunteers serving with a high purpose, and they do not recognize hardship when they meet it.

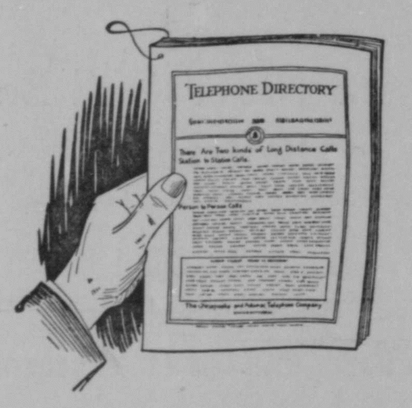

They have had their opportunity to withdraw with honor from the field of famine and desolation. They have refused to leave, because they know that their departure would mean death for tens of thousands of women and children whom their efforts have kept alive and whom they are determined to save for a better future.

A dozen cables are on my desk from various centers in Armenia, Anatolia, Cilicia and Syria pleading piteously for the lives of hundreds of thousands who are homeless: "Sixty-five thousand refugees Constantinople alone;" "Refugees flocking into Aleppo;" "Twenty thousand refugees at Ismid;" "One hundred thousand people at Alexandropol will starve unless relief is provided;" "Refugees arriving from Caucasus, escaping persecution, naked, destitute! Urgent need to save most of them from death;" "Two hundred thousand starving between Kars and Alexandropol! Severe winter adding to distress."

Above all towers the mute appeal of the more than 100,000 little children, orphaned, homeless, whom these American relief workers have saved and whom we here at home must sustain not only through the winter and spring, but through the summer and autumn as well. If we do not provide, they perish! And with them dies the hope of a New Near East.

The Easter season is here—the season that commemorates the Great Sacrifice for mankind. America is known as a Christian nation. She is also the wealthiest nation that history has ever known.

Can we really enjoy our wealth and claim the name of Christian if we turn a deaf ear to the appeal which General Leonard Wood, in behalf of the Near East Relief, has sent forth broadcast for a Lenten Sacrifice Offering to save these little children in Bible Lands?
