there could be no legal notice of the location of the said warrant but on return of the Certificate to the lands office

The Court were also of opinion that if warrant was applied by John Cartmack Stephen and Daniel Richards or Basil Dorsey in payment of the Caution Money within two years from the date of the warrant granted to the said John Cartmack Stephen and Daniel Richard, that such application of warrant will be equivalent to the payment of so much Money

But the Court were also of opinion that although the assignment of Morriotta Maria Dulany to Basil Dorsey was made before the 10th of April 1755 the payment of the Caution Money made by him as aforesaid will not take effect as a payment unless the warrant was so applied by him within two years from the date of the warrant

To which opinion of the Court the plaintiff by his Counsel excepts and prays the Court to sign and seal this his bill of Exceptions according to the statute in such Case provided and which is accordingly done this 16th day of June 1803
