## COUNTY COMMISSIONERS SELL $48,000.00 OF BONDS FOR LATERAL ROAD PURPOSES

For the purpose of paying the county's portion of the money to be spent this year on lateral roads in Carroll county, the County Commissioners this week sold to McCubbin, Goodrich and Co., of Baltimore 48—$1000 bonds of the county at $970 each. The bonds bear five and one-half per cent interest and five of them will become due in 1924; forty in 1932 and three in 1933, but the Commissioners have the right to redeem any or all of them after the first year by paying the principal, accrued interest and a five per cent premium. The bonds bear interest from June 1, 1921.

Under the act of 1920 Chapter 508 whenever the State Roads Commission decides to build a lateral road in any county the County Commissioners of that particular county are required to pay one half of the cost of the same, and for the purpose of raising the money they are authorized to pursue one of four methods, to-wit: By assessment on all the taxable property of the county, by an assessment on property directly benefited by the road, by an assessment on all the property of the district or districts of the county through which the road will be constructed, or by pledging the faith and credit of the county by selling bonds. In as much as the cost all other roads in the county built by the State and the County together has been born equally by the State and County the County Commissioners of this county decided to issue bonds to raise the money and not raise the same by assessments on property in the district or districts through which the roads will pass.

The roads selected by the State Roads Commission for construction this year are a part of the old Hanover pike near Hampstead; Oakland Mill road near the bridge over the West Branch of the Patapsco Falls, and the Westminster and New Windsor road.

The whole amount to be spent in this county this year is $97,650.00, one-half of which must be paid by the County Commissioners. The latter have sold bonds amounting to $48,000.00, and the balance of the $48,825.00 required to be paid, to-wit, the sum of $2,265.00, will be paid out of the general assessment for 1921.

The law required the County Commissioners to raise the money and provided a method for doing it and the Commissioners, in view of the present financial condition of the county, acted wisely in issuing bonds and in selling them at a price which, considering the present money market, was a very fair one.

## CARROLL COUNTY POMONA GRANGE MEETS AT BERRETT

The grangers of Carroll met in their quarterly meeting at Berrett and were royally entertained by the Berrett Grange. The meeting was held last Saturday in the Berrett School House with the school lawn serving as the dining room.

A business meeting was held in the morning with a recess at noon for refreshments which was also important, especially to those who went by auto over the roads leading to Berrett.

Worthy State Master, B. John Black, with a number of Baltimore county patrons, was present and opened the lecture hour with a talk that was instructive and full of good things for the grangers. He said that the farmer was getting more in Congress today than ever before because they were getting together, organizing.

The grangers were glad to hear from one of their number who has not been back since he left the county last year, Rev. Yodcr, who gave a splendid talk on the Farm Community. He said that the farmers must get together in their communities, they should live better in every way, work intelligently, work better, play more, and worship God. The grange should not be narrow but broaden out and help organize the 50,000 farm communities in the U. S.

Miss Pauline Fuss of Union Bridge and Mrs. Noah Babylon gave delightful readings. Rev. Ibach of Union Bridge gave a good talk on the magazine in the Farm Home, and laid stress on the fact that he failed to see boys and girls' magazines in the farm home.

The Medford Grange quartette gave a very good selection. Each grange should develop a good quartette as Medford has done. It will help attendance.

## GREAT MUSICAL TREAT

### Hendel's "Messiah" To Be Sung at W. M. College Tuesday Evening, June 14.

What will be perhaps the greatest musical event in the history of the recent years of Carroll county will form a part of the commencement program of Western Maryland this year. On Tuesday evening, June 14th, at 8 P. M. in Alumni Hall, a chorus of 200 voices, chosen from the college and the church choirs of the county, will render the greatest of all oratorios, Handel's "Messiah." The chorus has spent a year in preparation for this event. The chorus will be assisted by the following soloists, who are among the leading singers of Baltimore City: soprano, Miss Roberta Glanville; alto, Miss Anne G. Baugher; tenor, Mr. Charles R. Woods and bass, Dr. B. Merrill Hopkinson. Miss Elsie Dorst, director of voice in Western Maryland College, will direct the chorus. Mrs. Harry M. Kimmey, of Westminster, will be pianist. A full orchestra will accompany the chorus, and will be under the direction of Fritz Gaul, of Baltimore.

Admission, $1.00. Seats may be reserved at Shaw's and Wehler & King's drug stores and at the college office.

The "Messiah" is the greatest piece of music ever constructed. As the "Matthew's Passion" marks the climax of Bach's creation, so Handel in his "Messiah" has left us what was destined to be the masterpiece of his genius; in a masterful manner he glorifies the "Prince of Peace", at once the most humbled and yet the most exalted of all, who unfolds to us the whole work of redemption. As Gervinus so beautifully says: "In the inspired passages from the life, sufferings and glorification of Christ as portrayed in this oratorio, a hymn of the work of redemption is sung to the whole of Christendom."

This work was composed in the short space of time from August 22nd to September 14th, 1741, and it is related that upon its first production under the leadership of Handel himself, when the Chorus reached the glorious passage, King of Kings and Lord of Lords, the audience—and with them the King—rose as one man, all swayed by the wonderful power of these tones.

The giving of the "Messiah" on this occasion will be one of the great musical events in the history of this community. Great interest is being manifested in the occasion.

The soloists who are to take part in the "Messiah" Tuesday night at Alumni Hall, Western Maryland College, are all artists of high rank. Miss Roberta Glanville, who studied for years in Europe, has taken leading soprano roles at the Metropolitan Opera House, New York, and her beautiful voice is especially suited to the singing of the "Messiah".

Miss Anne Baugher, the well-known alto of Baltimore City, is a pupil of Melamett, and has taken leading parts in the productions of the Baltimore Operatic Society.

Mr. Charles R. Woods is a leading tenor of Baltimore City and is a former Carroll County man. He has had prominent church positions and has sung for many years in the Jewish Temple.

Dr. B. Merrill Hopkinson is the best known oratorio singer in the state of Maryland. He has a voice of rare beauty and power.

Miss Elsie Dorst, the director of the chorus, is the teacher of voice in the college, and is a graduate of the Cincinnati College of Music, and has studied abroad several years. Under her rare leadership the chorus has been developed to a very high standard. Mrs. Harry M. Kimmey, the well-known accompanist of Westminster, is a graduate of Western Maryland College and received her musical training in that school.

Alumni Hall ought to be filled to over-flowing to hear this musical treat.

## THIRD COMMENCEMANT OF ELEMENTARY SCHOOLS

**WEANT—DAYHOFF**

Miss Anna Josephine Dayhoff and Mr. Cyrus Raymond Weant, both of Keymar, this county, were married Saturday, June 4, 1921, at the Lutheran parsonage in Taneytown, this county, by the pastor Rev. L. B. Hafer.

Tuesday next is Flag Day, Hang out the Stars and Stripes.

## THE WESTMINSTER BAND REORGANIZED

A movement is on foot to revive The Westminster Band and Boy Scout Band. The citizens should get back of it and encourage same.

The first meeting will be held in the Firemen's Building, 3rd Floor, Monday evening, June 13th, at 8 P. M. All former members of any musical organization are urgently asked to become members of the new Band. Any boys who were former members and have musical instruments that are not in use are requested to return same.

Come, bring your instruments, and get back of The Westminster Band and show the citizens that we can have a Band such as we have had in the past.

## IMMANUEL LUTHERAN CHURCH MANCHESTER

Rev. C. G. Leatherman, Pastor.

June 12. 9 A. M. Bible school; 10 Sermon, subject: "The importance of Bible study and meditation"; 6:30 Woman's Missionary Meeting, and at 7:30 "A Loyal Prophet."

Children's Day was an inspiration to all worshipers and the large church and Sunday school room were used at both services. The morning session with songs, exercises, promotions and baptism of children were most impressive.

The evening program was rendered to a crowded house and when 70 children stood on the platform at one time and sang the inspiration was challenging.

The mission numbers, with Hoffacker Brothers accompaning, were splended. The offerings amounted to $112.00.

On Thursday Alvin Myers, of Westminster district while operating a truck for Thomas Bennett and Hunter between Westminster and New Windsor, accidently fell from the machine and fractured a rib on his left side. Dr. M. L. Bott rendered the necessary surgical service.
