MARYLAND BOYS WIN INTERNATIONAL CONTEST

THE PRICE IS TRIP ABROAD

College Park, October 26. The coveted trip to the English Royal Stock Show, London, and the highest prize offered to agricultural club boys at the Southeastern Fair, Atlanta Ga., was won by the Maryland team, according to a telegram received here by Dr. Thomas B. Symons, director of the University of Maryland Extension Service, from County Agent W. C. Snarr, who trained and accompanied the team.

The southern victory of the Maryland boys is the climax of a series of winnings which they started by taking championship honors in the State-wide dairy judging contest at the Timonium Fair early in September. As a reward for their work in this contest they were sent to the National Dairy Show at St. Paul, Minn., where they won fifth place in keen competition earlier in the month.

From St. Paul the team went direct to Atlanta ,the money for the trip being advanced by Louis McLane Merryman, president of the Timonium Fair Association.

In addition to the record made by the team, Warren Rice, of Sylmar, Cecil county, has probably established a record for himself . Not only did he score highest place in judging all breeds of dairy cattle at the St. Paul, but outclassed all other boys at Atlanta where he was required to judge the beef breeds of cattle, hogs and sheep in addition to judging dairy animals. Joseph Glackin, of Rising Sun, another Cecil county boy, stood second in judging all classes at Atlanta.

According to the telegram received from Mr. Snarr the Maryland team won second place in judging Duroc Jersey hogs; first in judging the Guernsey, Shorthorn and Holstein breeds of cattle, and received $115 in money prizes in addition to the trip to Europe.

The team was composed of Warren Rice ,Sylmar; Joseph Glackin, Rising Sun; George Worilou, North East; and Kenneth Price, Centerville. With the exception of young Price, the team is the same which won the State-wide dairy judging at Timonium.

The trip to the English Royal Stock Show is regarded as the cream of prizes offered to agricultural club boys in the United States and was won last year by Texas.

CARROLL COUNTY FARMERS TO ORGANIZE A FARM LOAN ASSOCIATION

The farmers of Carroll county have always been able to secure loans for farm improvements, etc., but under the present economic stress the usual source of money supply is practically closed. Money can be secured through the Baltimore Farm Loan Bank on farms for improvements and stock.

In order to secure money a County Association must be formed including ten or more owners of farm land and who desire to borrow in the aggregate $20,000 or more.

Any land owner in Carroll who is interested should attend the meeting in the County Agent's office, Westminster, Wednesday, November 2 at 1:30 P. M. Dr. F. B. Bomberger will be present to explain the workings of a County Organization.

SENATOR WELLER WILL FURNISH VEGETABLE AND FLOWER SEEDS FREE OF CHARGE UPON APPLICATION

C., on or before November 15, 1921. He will send each applicant one package containing five varieties of seeds, or a larger number of packages, if requested.

Care should be taken to give the correct name and address for mailing.

CARROLL AND HOWARD COUNTY MEDICAL SOCIETIES MEET

The autumn meeting of the Carroll County Medical Society was held at the Hotel Westminster, this city, yesterday afternoon, in conjunction with a meeting of the Howard county society, with about thirty physicians present. Dr. M. C. Pincoffs, head of the Medical Department, University of Maryland, spoke of "The Role of the State in Medical Education", and Dr. V. L. Cullen, head of the State Tuberculosis Sanatorium, on the topic "Problems of Early Recognition and Treatment of Tuberculosis." Reports from the State department show that incidents and morbidity of typhoid fever in Carroll county are less than in any other county of the State. Miss Sarah Haman, county nurse, made her report of inspection of school pupils and aid to tuberculosis patients in homes, showing that her work is well received in the county. Dr. H. D. Purdum was elected president; Dr. G. Lewis Wetzel, vice-president and Dr. C. Levine Billingslea, secretary and treasurer. After the meeting dinner was served in the hotel dining-rooms.

A Telephone System Must Expand

THERE is no such thing as closing the capital account of a telephone system unless it proposes to go out of business. The telephone system that is not going forward is going backward.

Each new subscriber requires additional plant—a new telephone set, additional central office equipment, in most cases an additional line from the central office to the subscriber's premises.

But these additions cannot wait until the subscriber wants service. To do this would require that applicants wait sometimes for an indefinite period. We must anticipate the public's needs and always maintain a reserve plant—conduits, cables, switchboards, wires.

To meet the requirements for next year and the years to come the money for the extensions must be secured from the investors this year. Our earnings this year, then, will determine whether we can attract the new capital necessary to meet your requirements for service next year.

CARROLL COUNTY BASE BALL LEAGUE NEWS

The following letter has been received by Mr. J. Albert Mitten, Secretary of the Westminster Athletic Association, from Mr. J .V. Jamison, Jr., of Hagerstown, Md., President of the Blue Ridge Baseball League.

October 21, 1921.

Westminster Athletic Association,
Mr. J. A. Mitten, Secretary,
Westminster, Md.

My dear Mr. Mitten:

I am in receipt of your invitation of the 9th, and it would give me pleasure to be of assistance in helping you to organize a baseball league in your county, by telling you what I know about organized baseball, and I shall be glad to give you all of the information I have gathered in the past seven years, as head of the Blue Ridge League.

I could arrange to come, most any time during the first week in November. I take it for granted you would want to hold your meeting at night. So, any night that suits you, from Monday until Thursday, inclusive, during the first week of November, will suit me.

In the meantime, I am asking Secretary J. N. Farrell, of the National Association of Professional Baseball Leagues, at Auburn, N. Y., to mail you a copy of the National Association Rules, underwhich all of the Leagues play, and I shall be glad to explain these rules and regulations to you and your other representatives, at the meeting.

As you probably know, there is no money to be made in Class D Leagues, but by getting under organized baseball, you can keep down your expenses, and play organized ball, much cheaper than you can independent ball.

I shall await with interest to know the hour and date you will set for your meeting.

Yours very truly,
(Signed) J. V. Jamison, Jr.

The meeting has been set for Wednesday, November 3rd at 7:30 P. M. at the Westminster Hotel, this city, and the appointed representatives of the various towns have been notified to this effect by Mr. Mitten. It is greatly to be hoped that the business men of Carroll county will get behind this movement solidly, and give the moral and financial support to the ultimate success of the proposed Carroll County Baseball League.

Help to put Carroll County on the baseball map.

ONLY 46 BOYS AND GIRLS OF CARROLL IN CLUB WORK
HARFORD HAS 2000.

The Cecil County Boys' judging team which won first place at the State Fair at Timonium, also won a free trip to the National Dairy Show at Minneapolis. The boys also took home $201.00 in prize money which they won on their pigs. They exhibited 20 pigs, 18 of which won ribbons.

County Agent Snarr, who has charge of the boys at the National Show sends the following telegram, "Team second in Durocs, first in Guernseys, first in Shorthorns, first in Holsteins, Rice high boy in all classes, Glacken second boy all classes, team first all classes. Won trip to Europe and $115.00."

E. G. Jenkins, State Boys' Club Agent writes, "We want every last club boy in the state to realize that it is the sum of the part he has played, added to the work of the rest that makes up club spirit and that club spirit plus the three state winners, plus Snarr, Merryman and all the rest, that places Maryland at the very top of world this morning in this phase of club work."

Carroll county at the present time has 36 boys and girls raising poultry, and each member is planning to exhibit a trio at the Mid-State Poultry Show . There are ten boys and girls raising fifteen pure bred sow pigs. This makes a total of 46 boys and girls in club work in Carroll along side of over 2,000 in Harford county. Carroll county is the test county in the state. Are we going to give the future farmers and their wives of Carroll?
