LONG BALLOT AT FALL ELECTION. WILL REQUIRE 6 MARKS

The things for which voters, who expect to cast a completed ballot at this Fall's election, must decide, in addition to their choice for Senator or Representative are:

Greater representation for Baltimore city. This is to be submitted in the form of two Constitutional amendments, requiring two marks on the ballot.

An amendment making women eligible for all Constitutional offices.

An amendment to reduce the number of elections, so as to eliminate all elections every other year.

An amendment to increase the terms of the State Comptroller and State Treasurer, so as to make them agree with the fewer elections plan.

In addition to these five marks, another will be required if the courts hold the Soldiers' Bonus bill constitutional, as that measure provides for a referendum on a proposed $9,000,000 bond issue.

All of these six propositions will be on ballots in every county in the State as well as in Baltimore, making eight marks necessary for a complete ballot in the State as a whole. Some counties, in addition, have bond issues to be voted on, which will require nine marks for a complete ballot in a few rural sections.

Another sign of the dishonesty of the American people is that the ball players are all stealing bases.

The people who don't advertise frequently complain that they do not see the business revival at which other folks are rejoicing.

General feeling that that meeting at Genoa won't get far until the Russians and Germans take the "con" out of conference.

In former days a lot of fellows used to practice on the cornet with their windows open, but anyway they didn't have jazz music in those times.

Since the expenditure of candidates for office was limited, the politicians have been complaining of the general apathy.

Great desire to trade with Russia is expressed by people who would like to sell them other people's goods on credit.

The folks who are looking for the dawn of a new day are frequently not awake enough to see the opportunities of the present one.

The girls who are preparing for graduation may not be studying any harder, but it is likely to take a lot of visits to the dressmaker.

The fact that they have cut down their hours of labor is an argument that satisfies many people that their pay should be raised.

Latest fashion news is that as warm weather comes on, a lot of the men folks take off their coats and exhibit their red and yellow galluses.

The modern girl of course knows more than her mother, but she should not remind her of that fact too frequently.

The woman who spent much of her girlhood exercising the broom, in likely to have a daughter whose sweeping is all done with a racquet on the lawn tennis court.

RESOLUTIONS ON THE DEATH OF ELLSWORTH ECKER.

At a meeting of the Session of the New Windsor Presbyterian Church, held May 22, 1922, the following Resolutions on the death of Brother Ellsworth Ecker were unanimously adopted:

WHEREAS, God, in His unerring providence, did on the 17th day of May, 1922, call Brother Ecker to his eternal reward; therefore

In loving remembrance of his esteemed character as a Christian gentleman, and a Ruling Elder since December 1, 1889.

Honored and beloved, not only in our own company of believers, but in the community at large;

Called of God to be a leader in the Church of his choice, with which he was united December 12th, 1868, and to him it has been granted to merit a crown of righteousness through a patient continuance in well-doing.

Resolved, That while we shall miss his fellowship and wise counsel, we humbly bow to the will of Him who doeth all things well, and that we commend his bereaved family to his God alone for comfort in their hours of loneliness.

Resolved, That a copy of these Resolutions be given to the family, that a copy be placed on the Record Book and that they be published in the Pilot and in the Sentinel.

Rev. David Laughlin, Moderator.
David P. Smelser and J. Ross Galt, Elders. J. Walter Getty, Clerk.
