UNION MILLS

All those who braved the better cold weather of last Friday night and found their way to the I. O. M. hall, to see "The Farmerette," a three act play presented by the Dorcas Class of Grace Lutheran church, Westminster, were indeed well rewarded for their efforts, as the young ladies, (mere man didn't appear in the cast) gave them an evening of splendid entertainment. And Klee and Hoff's orchestra, (six pieces) also comes in for its full amount of praise, for, with its lively jazz and old time plantation melodies between the acts it made all hands forget their troubles and the fact that on the outside the thermometer and old zero were getting to be very friendly. The cast of the play was composed of the following numbers of the fair sex: Mrs. Luther Bare, Mrs. William Young, Misses Helen Miller, Margaret Currens, Catharine Sullivan, Miriam Hull and Nettie Seboure.

Harry Frock started for Taneytown, in his Dodge automobile, on the 20 inst. MANCHESTER

The members of the Willing Workers' Aid Society of Trinity Reformed Church held a cafeteria in the Sunday school room of the church on Saturday evening that was well attended, considering the inclement weather. The name of the affair no doubt was attractive and much enjoyed to know how it was conducted but the committee was equal to the occasion. When the guests were ready for their dinner each was given a waiter on which made choice of the vegetables, meats, coffee, and dessert before them, which was shown the cashier who made the collection and then the guest went to a table and in company with other friends enjoyed the menu before you with all the bread and coffee called for. The ladies at the festival booth did well with the ice cream, cake, and sweets that had a ready sale, while the social enjoyment and the bringing together members in closer relationship added much to the enjoyment of the evening, and then too the committee came forward with their report that they had $48.00 net receipts to add to their treasury.
