ORDER OF PUBLICATION

In the Circuit Court for Carroll County. No. 5494 Equity.

Charles Matthews, Plaintiff
vs.
Della Matthews, Defendant.

The object of this suit is to obtain a decree of divorce a vinculo matrimonii of the plaintiff from the defendant. The Bill of Complaint states that the parties were married at Baltimore, Maryland, by Rev. C. W. Mesell; that the plaintiff and defendant lived together in the City of Baltimore, Maryland, until December, 1905; that in December, 1905, the defendant deserted and abandoned the plaintiff, and took up her abode with one Harry Hicks, at Baltimore City, and lived in adultery with the said Hicks for at least three years; that about the year 1908 she left the said Hicks and took up her abode with another man, whose name is unknown to the plaintiff, and lived with him in adultery for several years; that about the year 1912, the defendant left the State of Maryland and took up her abode in Philadelphia, Pennsylvania; that she is not now a resident of the State of Maryland; that the plaintiff always demeaned himself toward his wife as a good, true, chaste and affectionate husband; that since her abandonment and adultery the plaintiff has not cohabitied with the defendant, nor condoned her offences against him; and that there are no children born of said marriage, and that the plaintiff is and has been for more than two years last past a resident of Carroll county, Maryland.

It is thereupon, this 30th, day of October, 1923, ordered by the Circuit Court for Carroll County, sitting as a Court of Equity, that the plaintiff, by causing a copy of this order to be inserted in some newspaper published in Carroll county, Maryland, for four successive weeks before the first day of December, 1923, give notice to the absent defendant of the object and substance of said Bill, and warning her to be and appear in this Court in person or by solicitor on or before the 17th day of December, 1923, to show cause, if any she has, why a decree ought not to pass as prayed.

MELROSE

On Sunday night, Mr. Ephraim Wentz, formerly of near Bartholomew's church, but lately living with one of his daughters, Mrs. John Shaffer, of our town, died of the infirmities of age. He was about 83 years. His remains were laid to rest, on Wednesday afternoon at Wentz's meeting-house.

News comes from York that the American Chain Works, employing thousands of workmen, closed dowa day and night, due to over production. The low prices of farmer's products is due, it is reported, to over production. Can any one explain?

Recently an automobile agent took a trip to a Western factory at the expense of the firm employing him, and found they employ about 5,000 men in their factory who finish 150 cars every week days in the year. With nearly one hundred factories turning out a certain number of cars each day, unless a goodly number are put out of commission, it is not strange with 12 millions, already on the road that there is so much traffic on our roads, and so little of the old time, healthful exercise, walking, is neglected.

Interest in Sunday school and church work seems to be on the increase. On Sunday last there were large crowds at the Manchester Lutheran S. S. Rally, at the Manchester Reformed church communion, the Black Rock Love Feast, the Sherman's Church Reformed Communion, besides other church activities. In spite of occasional showers some of our people helped to increase the large crowds at the S. S. parade and Rally at Westminster.

Rev. Reymeyer, invited to become pastor of Emanuel Lutheran church, of Manchester, has accepted the call, and will be installed the latter part of November.

A serious accident occurred on Saturday afternoon. As Minnie, daughter of John Shaffer, Sr., was in the act of leaving a car to go across the macadam road to her home, a car driven by a Manchester man came along at a rapid rate of speed, struck her down, fracturing her legs, each one broken at two places. She was carried into the house and Dr. Danner hastily summoned, who rendered the necessary surgical aid, and she is doing as well as can be expected. Later, on Monday afternoon, Dr. Danner, of Manchester took Minnie Shaffer, who met with such a painful accident on Saturday afternoon, to a Baltimore hospital for treatment.

The condensed newspaper "Current Events" claims that Germany and France are compromising, and Germany is going to hard work in order to pay her debts. This move may mean much to make changes in our country in the near future.

The Carrollton Loyal Temperance Legion received from the State W. C. T. U. Convention the Victory Pennant for doing the best work of any Legion in the State of Maryland. Following is the year's work done by the L. T. L: The Carrollton Loyal Temperance Legion has 33 members and 21 honorary members. Distributed 100 pages of literature, sent $1.50 to Anna A. Gordon Missionary fund, made 8 scrap books for kindergarden in Baltimore, made and filled 12 comfort bags for crippled soldiers at Fort McHenry, sent 1½ large barrels of clothing, shoes etc., to Near East Relief, 20 bouquets, 50 visits, 50 cards, 41 letters and 40 dainties to the sick, used 50 temperance stickers on letters, fed birds, crushed cigar and cigaret stumps to prevent children from smoking them, held 8 meetings, subscribed for 13 Young Crusader papers, distributed 150 temperance blotters to four different schools, sent $8.75 to Near East Relief work, sent 180 papers to children of neighborhood, 20 papers to sanitorium, sent 1 book and letters to crippled boy in Pennsylvania, 1 present and letters to crippled girl in Kernan's hospital, sent 30 double post cards, and box of vegetables to kindergarden. It is hard to realize the pleasure we find in doing these small deeds to make others happy.

Why not organize a Loyal Temperance Legion in your neighborhood, and fall in line with this very important work among the children? Can you realize the importance and responsibility of raising children these days? Remember these precious words: "Train a child in the way it shall go, and when it is old it will not depart from it." Anyone feeling it their duty to organize an L. T. L. please notify Gussie J. Blizzard, County Secretary of the Loyal Temperance Legion, and she will be on the job.

The W. C. T. U. met at the home of Mrs. L. W. Caple last Thursday with a good attendance. The Union decided to send 2 barrels of provisions to the Baltimore kindergarten. Pleasant Grove and Sandy Mount will contribute toward same, and Bethel will contribute in some other way. Helpful readings by several of the ladies on Christian citizenship and law enforcement gave some interesting facts concerning Gov. Pinchot, of Pennsylvania, who is cleaning up that state and enforcing the prohibition law. Mrs. Blanche Magee gave an interesting report of the State Convention, among other things sang a couple of the temperance songs they used, the following is one:

"Old John's dead, old John's dead!
Last words he said, last words he said:
I hate the W. C. T. U.
I hate the things they made me do,
And I hate the place they sent me to.
Old John's dead."
