Exors of Richard Graves

The State of Maryland hath, sent to the Sheriff of Kent County a certain writ close in these words, to wit: "The Eastern Shore, to wit. The State of Maryland to the Sheriff of Kent County, Greeting. Whereas James Christie Gentleman, lately in our late Provincial Court before William Hayward Esqr and his Companions then the Justices of the same Provincial Court by writ & by the Judgment of the same Court had recovered against Richard Graves late of Kent County Gentleman as well a certain debt of One thousand five hundred and thirty eight pounds and ten shillings ~~Current~~ Sterling money of Great Britain as also the quantity of five hundred and ninety three pounds of Tobacco which the same James Christie in the same Provincial Court were adjudged for his Damages which he had sustained as well by occasion of the detention of the said Debt, as for his Costs and Charges by him about his suit in that behalf expended; whereof the said Richard Graves is convicted as to us it manifestly appeareth upon record. And whereas afterwards that is to say, in our General Court holden for the Eastern Shore of this State on the Second Tuesday in April in the year Seventeen hundred and eighty seven at Talbot Court house in Talbot County, the said James Christie of the Debt Damages Costs and Charges afs. not being satisfied, it was considered by the Judges of the same General Court that the same James Christie should have his execution against the said Richard Graves for the Debt, Damages, Costs & Charges afs. and also for the quantity of One thousand Nine pounds of Tobacco, which to the said James Christie in our same General Court by the Judges thereof were adjudged and awarded for his additional costs & Charges which he the said James Christie had sustained by reason of the delay of the execution of the said judgment, according to the form of the statute in such case made and provided, whereof the said Richard Graves is likewise convicted, as by the record and proceedings as well in the execution of the Judgment afs. as in the adjudication of execution of the same Judgment in our same Court now remaining appeareth upon record. And whereas on the behalf of the said James Christie in our General Court before

the Judges thereof we have understood that, since the rendition of the afs. Judgment and the award of execution thereupon, the said Richard Graves, at Kent County afs. duly made his last will & testament in writing and thereby constituted and appointed his son William Graves and his Daughter Mary Brockett the Executors thereof, and afterwards there died, between which said Mary Brockett, and a certain Simon Milmer of Kent County afs. a marriage hath since been had and solemnized in due form of law and that although Judgment be given and execution adjudged in form afs. against the said Richard Graves for the debt, damages and several charges afs. execution nevertheless of the said Judgment for the said James Christie yet remaineth to be done: Wherefore the same James Christie hath besought us to grant him a proper remedy in this behalf; and we being willing that what is just in this part should be done. We therefore command you that by good and lawful men of your Bailiwick, you make known unto the said William Graves and Simon Milmer & Mary his wife, that they be and appear before the Judges of our General Court, at their Court to be holden for the Eastern Shore of this State at Easton in Talbot County the second Tuesday in April next, to shew cause if any, for themselves they have why the said James Christie ought not to have his Execution against them, for the Debt, Damages & Costs and several Charges afs. of the Goods & Chattels which belonged to the said Richard Graves at the time of his death in the hands of the said William Graves & of the said Simon Milmer & Mary his wife to be administered being to be made and levied, according to the form and effect of the recovery afs. if unto them it shall seem expedient; and further to do & receive all and singular those things which our Judges afs. shall then and there consider in this behalf concerning them. And have you then & there the names of those by whom you shall make the same known unto them, and this writ. Witness the honourable Samuel Chase Esqr Chief Justice of our said Court the 11th day of September Anno Domini 1792. Issued the 23 day of March 1793.
