EXPANSION SALE

Owing to the increase of business since adding dry goods and ladies' ready-to-wear, we are now handicapped for lack of floor space. Before the arrival of fall merchandise we are taking over the room, next to our store, now occupied as a tobacco store and billiard parlor. Wishing to reduce our stock before remodeling and moving we are running a large sale.

This sale will be one of the greatest money-saving opportunities for the people of this community. Our present stock will be sold regardless of cost, our intentions being not to make a profit on the merchandise sold during this sale, but to reduce our stock to a minimum during remodeling, and starting this fall with a new, clean, and up-to-date stock in our new store.
