goods wares and Merchandizes at their like special instance and request, the said Peter Harrington and William Crawford in consideration thereof then and there assumed upon themselves and faithfully promised the said John Field & John Field junior to pay them the said John Field and John Field junior as much current money for the goods wares and merchandizes last mentioned, as the same at the time of the sale and delivery thereof were reasonably worth when they the said Peter Harrington and William Crawford should be thereto afterwards required. And the said John Field junior in fact say, that the goods wares and merchandizes last mentioned at the time of the sale and delivery thereof were reasonably worth one other sum of five hundred and ninety eight pounds four shillings and three pence one farthing current money towit at the County aforesaid, whereof the said Peter Harrington & William Crawford then & there had notice. Nevertheless the said Peter Harrington and William Crawford their several promises and assumptions aforesaid in form aforesaid made not in the least regarding but intending the said John Field and John Field junior in this behalf to deceive and defraud the several sums of money aforesaid or any part thereof, to the said John Field and John Field junior yet have not paid (altho' to pay the same, the said Peter Harrington and William Crawford, afterwards towit, the tenth day of June in the year aforesaid, and often since at the County aforesaid by the said John Field & John Field junior were required) but the same to them to pay have hitherto altogether refused and still do refuse to the damage of the said John Field and John Field & John Field Junior in the sum of one thousand pounds current money and therefore they bring this suit &c.
