Mr. Morris L. Radoff, Archivist

Dear Mr. Radoff:

Your letter of July 31 to Mr. Bliss has been received during his absence on vacation.

The Huntington Library will undoubtedly be glad to accept the deposit of microfilm copies of your colonial archival series, and we are deeply appreciative of your consideration. Mr. Bliss will write you when he returns to the Library later this week. In the meantime, please know that we are interested.

Sincerely yours,

P
