Commencing moderate & fresh trades have a squall occasionally pass over, hill's the wind, have it baffling & veer to the East at 1h, tacked ship heading S.S.E by the wind, Starboard watch on deck,— saw Finbacks & Porpoises &c, from aloft. At 4h, tacked ship ship heading S.S.W. Midnight tack ship heading S.S.E by the wind. A.M. Starboard watch on deck, Moderate wind & smoky weather saw Finbacks.

Lat 00.49 South Long 123.35 West

Remarks on board Saturday June 2nd
P.M. Moderate trades with good weather steering full & by. This afternoon is been quite lively for us, seen most everything but Sperm Whales we could smell them, pass through a slick where some one had cut in a Whale the blubber & everything had the appearance of Whales we then tomorrow I expect. Midnight tacked ship heading S.S.E A.M. got out mead & butter. weather clear & pleasant Port watch on deck,
