Tuesday July 17th 49
First part of these 24 hours fresh breezes and c
Last part fresh breezes and Stormy with squa
P M We came up with the Island of Asson
at 12 O clock and lowered about and the 6
3 Mate with a boats crew went onshore
the S W side of the Island to look fo
green turtoise but in landing they
swamped the boat in the surf

Cornelia of New Bedford at the Comor
day July 17th 1849 Continued
and got her stove a little and did not
see any tortoises they came onboard at
three o clock and put off from the Bet
Staring N W and in a boat half
of an hour raised the Island of
Aldebra and stood along to wards
it until night the Island
bairing S E distant 10 miles
Tackin sail and hove her
A M Stood to eastward and raised
I suppose it to be the Island of Cosseyrade
Two men a portuge and a yanke fell to fighting and the
captain seperated them and sentanced
them to stay on deck until Saturday night
without any much below in the day time
he also called all hands together and
told the hands that belong forward
to not come aft of the try works to
talk under the penalty of a mast head
job Also thos that belonged ~~forward~~ aft
to not go forward under a like
penalty At work on the old larboard boat
makeing new lifts to the fore topgallant yard etc

Wednesday July 18th 49
