represented as Great theives and we found them
so at Ordyhee for they stole every thing that
they could lay their hands on but at this
place they were admited on Board at
any time and we did not lose a single
thing when the ship came to Anchor there
was a native came of bringing a letter
of recommendations and offered to take care
of the ship that is take care that the
natives did not steal any thing and that
they did not come on Board with out orders
he was admitted and his orders were obeyd
By the native Articles of trade Here are old clothes
knives and files and Money. But money

is far the least valuable in the eyes of the
common people as the Cheifs take that
for their Slavery During our stay here
Several whalemen came in here on the
eight of the 26 - 3 of our men ran away and
took the most of their things with them
on the 28 : 2 of the runaways was brought
back by the natives the 29 took our
anchor and proceeded towards the Island
of Adaahoo leaving one man Behind
at Mordhee we took 4 of the Native
on Board of us to go the voyage 3 men
and a small Boy the next Day came
to anchor at the outer anchoring place
of Adaahoo where we found 25 sail
of whalemen 23 were Americans
in the afternoon our Boat went on
shore where we staid the most of the
