the 16 Have Lost her Mainteopmast Mizzen
top Gallant Mast jib and flying Jib Booms
and 4 Boats the Eagle very Much Damag
In her hull and Gone into the Sandwich
Islands in Distress oct the 3 spoke the
Ships Marcus of Saggharbour and
the Fortune of Plymouth Capt Myrick
on the 4 the Marcus Left us for
the Sandwich islands With her we sent
Prent the Indian Boy that we got
at Mewhee the 10 Squally and the 12
a gale of wind from this time until the
18 muggy and unpleasant from this time
until the 26 unpleasant the 27 Fair Lane
the first that we have seen for 5 Months
Past the 28 the weather thick and foggy all
the first Part of the Day the after part
Cleared up and we found ourselves Close
In with the Land we then Squared away
and run Down the Land until Night
when we tacked and Stood off shore the
29 foggy until 12 o Clock when we got
An observation Lat 36-55 we the steered
Down the Land and at 5 P.M. Came

to anchor at the Port of St Louis North
west Coast of America In Lat of about
37 N and Long 122 10 W here was lying
the Ships Fortune and the Ladyhamilton
of London the fortune came too here 2
hours Before we Did the ship Mercator
Left here in the morning Before that
we Lay in here all employed in getting
water until the 2d of November when the
Larboard watch was on Shore on Liberty
the next Day spent in getting of water
and Pumpkins on the 5th the Ladyhamilton
Left this place all hands employed in getting
wood and water and one Boat Load of
Potatoes at night there was a Dispute
Between M Clow and R Case the Capt
Which was the Cause of Much Disturbance
on Board on the 6th got of a small Bullock
and the 4th took on Board a Bullock and
five sheep and at Night 2 of the Crew
attempted to runaway But were Brought
Back the next morning the Capt asked
them some Questions one of them gave
Abusive answer for which he got a seven
flaging the 8 got under weigh Leaving
one Man Behind he had Been sick
