in sight All of them Boiling per two Whales but they were in the smoke none of the Ships is sight are Whaling of at the day one a short distance of stowing down Stowing W by S

Sunday July 1st

Stowing down the Capt tore down part of the Stowage [illegible] Whales ground just in the [illegible] evening Tumbled Ship about of the Blubber Room so he down having no more room to lay out see one Right Whale plenty of Humpf Backs Fin Backs are stowing down and Coopering making the Blubber Room larger there is Land ahead covered with Snow Steering N by W one Ship

Monday June 2nd Long 150.20

Scraping Bone finished that chard up Decks took in top Gall Sails and Fly jib stowed Boats Crews Watches all hands at day light make Sail finish stowing down the Oil having stowed down about 230 bls washed of so the Whales are going fast Steering W by N wind E & E wind keeps hauling to the Southward

Tuesday July 3d Lat 57.08

At light breze see two Ships right ahead the Capt shot a Seal that I think could weigh upwards of 300 lbs lowered a Boat for him his a Hail Sail skinned him took in the Gall Sails Fly jib and Main Sail as well as Spanker called All hands at day light and set Main Sail a Barque on the weather Beam she run down to us Capt came on board had a Gam see a Schoolmate on board by name of Perse Spread Bone to dry Shifted course to E by S

Wednesday July 4th

This is a day of great Smith not on board here but where we came from the day that I spent this day was in Bundling Bone a nice little breze fanned jibs and Main the Gall Sail broke up the Gam with

Rakah of Westport 20 mo 500 WO 60 50 50 BF All hands at day light made Sail washed of 8 Ships in sight several of them trying out lowered one Boats at 9 AM for a Bow Head Cow killed with the Sails furled Gib and Main Sail a head sea on our Boats [illegible] Superiors Boats 5 Whales there we have got one man very sick with the Fever

Thursday July 5th Lat 57.21 Long

Running before the wind spoke the Gov Troop of New Bedford 5 Whales here dropped her to the wind furled Fore and Aft top Sails close reefed Main furled Fore Sail put Boats on upper Cranes set back handed back Main Yard head sea Starboard Tack called Dinner Watch got Breakfast here Ship made Sail Steering N E see the Ship made a new Water Butt the old one being rotten nearly a cabin ~~Gamming~~

Friday July 6th Long 152.24

Gamming with the Chief of Fairhaven 1000 bls this Season then in all she has spoke several Ships Bound home put on sick man is better lowered two Boats for Whales at 6 PM took in Main top Gall Sail and Fly jib Boats came on board at 9 a dead calm called all hands to make sail handsly a breeze of air stirring lowered our Boats at 7 AM for Bow Head Chief's Boat down first got fast took three Boats came on board in half an hour our sick man gains on it a little. 6 Ships in sight three of them are trying out lowered for Right Whales at 9 came on board at 10 AM the Whales going faster than the Boats a light breze sprung up several Cancers in sight Steering N E the breze freshens some Squared in yards

Saturday July 7th

Nothing doing here the rest of them filling up and
