be are steering W.S.W. a light breze which freshened towards
morning made all Sail at Sun rise the Ships Hull was discernable
from off deck we thinge Bucks another Ship in sight coming
in [illegible]
season that Russian Whale that we picked up belonged to her she
hunts 500 more and then she is off Heading West close to the
wind she is bound just where we could from finished Gam the
sent of on one tack we on another

Wednesday July 18th

Broke out for Short Chowder and later furled top Gall Sails
and Hove to the wind for the last and tacked Ship Head South the
Fog has come in thick again not much wind Broke out the
other Hog to see nor much upset there was and cooper it
and that we had not 35 lbs of but the most of it Pork
also broke out potatoes that had been in molasses about 50
also Dried Apples had some forward sugar for the Cabin have got
to 60 of them Foggy night coming head

Thursday July 19th

Coopered the Short-first-it-below washed of decks
Our Third Mate get no better either more wind heads W by S
the wind off Cether Foggy weather not so cold as it might
be saw a piece of fat Lean Foot times spoke and Gamed with
the Bowhead return of N B Capt Quick 22 mo 2000 bbls Wh 500 of it Sperm

Friday July 20th Lat 57.47

Capt came on board his ship again steering W
by N with a fair wind strong breze during the night some
rain Fog cleared off for a few hours at a time nothing
Saturday 21st

See one Sail Back and Right Ahead going to the windward
fast double reefed top Sails thick Fog head wind sharp
see ship a head and shot little then lies of it Third Mate is
[illegible] and Ho for steering W.S.W. see a Ship and spoke her it proved
to be the Sachem of N B 12 mo 900 bbls wo gaming bitter Ice unbent
Fore Sail and are mending it

Sunday July 22d Lat 58.19

Squared in off Sails steering E.S.E. the fine breze has
more Ships in sight Land in sight right ahead bent on Fore
Sail broke up the Gam for this night think the Captes are going
together for a little Work in top Gall Sails also. Fly Jibs furled
Main Sail Double reefed top Sails be then first close to the wind then
before it to let the Ship keep ahead of us had some rain good
Strong breze from the Eastward saw Ship and stood from land it lies
about 20 miles distant Thick Fog took reefs out of top Sails
loose Fore and Main Sail Foggy weather off a little we standing
we say two or three Ships the other no sight

Monday July 23d

Wearing first one day and then the other
Our Third Mate Stands each watch stood up to nothing in
sight Fog set in again not much wind heading W.S.W. men left
tacked Ship loosed top Gall Sails Fly Jibs saw an old Carcass and a whale in
sight Fog was set in again nearly a calm

Tuesday July 24th

Raised Land to the Eastward of us think it is an Island
hauled aback Main Yard took in top Gall Sails Fly Jibs if we have
