1 ~~Come Let us join our Eeni~~
1 Come Let us join our Evening Prayers
And give to the wind our worldly cares
We'll ply our oars over life's Rough Sea
We are sailing to Eternity
2 B.C.
Though darks the night in which we sail
Our lord's on board we cannot fail
For wind and storm ~~to~~ his word obey
And

1 Let me go the Breaking
Dear companions Let me go
we have Spent a night in
waking in this wilderness but
appears now i bend my way
part me here at Break of day
~~of day~~ 2
Let me go i may not tarry
wrestling more with fears
Angels waite my Soul to carry
where my kindred Lord appears
Friends and neighbours
weep not so if you love me let
Let me go
