Monday July 18th 785
light air & calm. according to the Ship's C. at 7
P.M. the Isle Middle one Sheard W.S.E. by W. dist.
5 leagues, had hard trouble with George
Cartwell. steward & had occasion to speak to
about upping servicing he grumbled &
grumbled I went below to talk to him
he swore used irritating language to me
& then took hold of him he then took

hold of me & told him to take his hands
of me which he wouldnot. & then slaped his
face with the back of my hand & spit him
down on his back after words & told him to get
up & go on deck he wouldnot & then forced him
by kicking him & handled him up with a rope
spunk. Skim in the rigging one hour after
got him out. I think it my duty to close him
in irons & put to night. Mid. Latt. part.
calm. the current setting the Ship fast towards
the land one sail in sight between the Islands
Bar. 29.80 Lat. 21 03
