H	K	F	COURSES.	WINDS.	Therm. Air.	Therm. Wat.	Barom.	REMARKS. Monday Oct 12th 1875
1								1 PM anchored in Morton Cove
2								wind W blowing hard 3 PM let
3								go the second anchor 7 PM bent the
4								cable on to another anchor and
5								let it go 8 PM dragging at 5 AM
6								had dragged the anchors across
7								the bay the distance of a mile
8								and a half or more while bending
9								the walking beam to the windlass
10								broke first that so that it could
11								be used still blowing a gale
