ROCK SAFETY

Nothing is sounder, more enduring, or as safe from fire, as ROCK. Portland cement, for heavy loads, heavy wear, or out-of-doors—pure gypsum rock for inside walls and ceilings.

Here you can buy both—along with other dependable building materials—with confidence as to full count, full weight, first quality. We sell and recommend, for instance—

SHEETROCK

—the *fireproof* wallboard. Made of pure gypsum rock—cannot burn—full 3/8 inch thick. Won't warp, buckle, or crack. Perfectly smooth surface, with joints concealed, for any decoration. Stop and see why this is the preferred wallboard.

ANYWHERE TO ANYWHERE—BY TELEPHONE

TO SAVE YOUR TIME—

Place Your Out-of-Town Calls by Number!

HAVE you noticed that the long distance operator has been completing many of your out-of-town calls while you held the line?

We can give you this almost as fast as local service when you know the number of the distant telephone. It makes no difference whether you call "anyone" or a particular person at an out-of-town telephone; in either case you'll get an extra-rapid service if you can give the number.

Suppose you don't know the number—

We'll complete the connection and tell you the number at the time. But to save your time we suggest that you make a list of the names and addresses of all the persons or firms whom you are apt to call. Mail it to our Business Office and we will promptly supply you with their numbers.

A Word of Explanation—There are two kinds of long distance calls: *Station-to-station* and *Person-to-person*. On a station-to-station call we connect you with the out-of-town number just as we do on a local call. On a person-to-person call we connect you with the particular person desired at the distant telephone; these calls take about 25 per cent higher rate.

UNION MILLS

The residents of our village, on Monday evening, of this week, had another opportunity to witness a theatrical performance put upon the boards in good style by Carroll county talent. The name of the comedy was, "Safety First," and the company that presented it were members of the Dorcas class of the Lutheran church, Westminster, assisted by the men's Bible class. The cast was composed of the following young ladies and gentlemen: Elizabeth Bemiller, Emma Bemiller, Nettie Seboure, Helen Miller, Mae K. Hartman, Maurice Englar, George Sullivan, Leighton King, Albert Read and Joseph Stoner. Prof. S. P. Caltrider's orchestra very pleasantly entertained the audience before the curtain went up and between the acts. The singing of "Alice Blue Gown" and "Mary Lou," by Mrs. Paul Wimert, between the second and third acts, was one of the most pleasing features of the evening's entertainment.

On Tuesday afternoon of this week, Mrs. Thomas W. Kemp attended a card party and luncheon, given at the Richard McAllister Hotel, Hanover, by Mrs. George D. Hopkins.

Encouraging news is received from Mrs. Weldon R. Nusbaum, who underwent a very serious surgical operation at the Hanover general hospital, last week.
