MILLARD ZEPP WINS $50.00

Millard Zepp, Liberty street, an employe of the D. S Gehr Hardware Company, this city, was among the few fortunate in winning $50 in a name contest. In fact, Mr. Zepp was the only one in Maryland. The Richardson and Boynton Company, New York, wanted a name for their furnace, asking that names be sent to them. Mr. Zepp got to thinking the matter over and decided to send in a few names. Shortly after this, he received a $50 check and ranked sixth in the fourth class. As yet the company is using the same name, Gas-Era, that was submitted by an employe.

TOMATO MEETING AT PLEASANT VALLEY

On March 30 there will be a tomato growers' meeting at the Pleasant Valley high school. This meeting is to be held under the joint auspices of the Pleasant Valley Parent-Teacher Association, the local tomato canneries and the Extension Service cooperating. Mr. L. M. Goodwin, one of the formost tomato specialists in this section of the United States, has been secured to address this meeting and lead the discussion on the problems in tomato growing of most interest to the farmers present. Pleasant Valley is fast becoming known as a section producing a high grade tomato pack and this meeting should do much to even improve the kind of tomato grown in this section.

CORN BORER AND SEED CORN MEETINGS

The demand for first hand information on the Corn Borer and sources of seed corn has been so great in the Myers and Mt. Airy districts that two meetings will be held in the county. The first one will be held at Union Mills at the Charles Carroll school on Tuesday evening, March 29th at 7:30. The other meeting will be held at Mt. Airy on the evening of April 1. County Agent Walrath has secured government motion pictures and slides to show the exact situation of the Corn Borer as it concerns Carroll county. At this same meeting we will also present the seed corn situation in the county this spring. Farmers who desire to have samples of their corn inspected for germination can bring their corn to these meetings which will be held under the auspices of the Agricultural Vocational Departments of the Charles Carroll and Mt. Airy schools.

UNION MILLS

Mrs. Weldon R. Nusbaum, a patient in the Hanover General Hospital for the past month, and where she underwent two serious surgical operations, was brought to her home in Union Mills, a convalescent, on Wednesday of this week. Her condition is regarded as excellent and her complete recovery seems assured.

John P. Myers, whose wife died on the 19 inst., (see obituary column,) following the funeral which was held on Tuesday of this week, having previously disposed of a large flock of chickens which he had, closed up his house here and accompanied his nephew-in-law and niece, Mr. and Mrs. Benjamin Lemke, to their home in Washington D. C., where he will reside for an indefinite period of time.

A musical in which all of the classes will take part, will be held at the Charles Carroll school, on the evening of the 25 inst., at 8:00 o'clock. The public is invited.

By a bill introduced yesterday by Senator Englar penalties for violation of Carroll county local option law will be increased.

By request Mr. Barnes yesterday introduced a bill in the House of Delegates appropriating $250,000.00 for roads in Carroll county.

Mrs. William Schwinn, Carroll street, entertained forty guests Tuesday night, in honor of her fortieth birthday.

DID YOU GET YOUR SEED CORN?

Tomorrow afternoon at 3:00 o'clock will be the closing date for receiving applications for a peck of free seed corn of the Golden Queen and Lancaster Sure Crop varieties at the First National Bank of Westminster. Many Carroll county growers are availing themselves of this opportunity to secure high grade tested seed corn as good seed is hard to get. The bank will also take orders for additional amounts at cost conditionally if it can get the corn.

IN MEMORIAM

In sad but loving remembrance of my dear husband, John W. Shipley, who died one year ago today, March 25, 1926.

Oh dear husband how I miss you
Since from earth you passed away,
And my heart is aching sorely,
As I think of you each day.

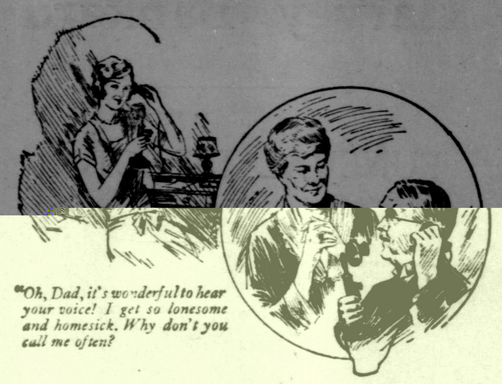

Home is sad, oh God how dreary,
Lonely, lonesome, every spot,
Listening for your voice till weary,
Weary for I hear it not.

By his loving wife,
SARAH A. SHIPLEY.

ANYWHERE TO ANYWHERE—BY TELEPHONE

"Oh, Dad, it's wonderful to hear your voice! I get so lonesome and homesick. Why don't you call me often?

We Ought to Do This Often

WITH long distance telephone service at your elbow, there is no longer such a thing as separation. The calls are cheap—especially station-to-station calls—and the service is rapid. A station-to-station call for a distance of 150 miles costs only 95c. during the day; between 7.00 and 8.30 p. m. the call costs 70c.; between 8.30 p. m. and 4.30 a. m., 50c. And you can reach almost any place in just a few minutes.

Many improvements in long distance service have been made during the past year. Rates have been generally reduced and the service has been speeded up. Another thing, station-to-station calls (above 20 cents) may now be reversed without extra charge
