KNIGHTS OF PYTHIAS NEWS

Membership in the Order Knights of Pythias at the end of the last fiscal year was approximately 800,000, and the insurance department which celebrated its fiftieth anniversary on August, has distributed more than $60,000,00 among widows and orphans, according to two reports made before Charity lodge at its last meeting. These reports, read by Herbert Mathias, keeper of records and seal, showed both the order and the department in a healthy, growing condition in all parts of the United States and Canada. The fiscal report issued by Harry M. Love, Minneapolis, Minn., gave the membership in all fifty-five grand domains. The other report issued by Harry Wade, Indianapolis, Ind., president of the insurance department showed that for every day during the first half century of the insurance department activity, it had paid $3,300 to widows and orphans of deceased members of the order.

"Our insurance department was instituted on August 7, 1877," said Prescus Lambert, chancellor commander. "The home office is located at Indianapolis, Ind., where it has a beautiful building erected last year at a cost of half million dollars. Besides paying to widows and orphans of members more than $60,000,000 it has accumulated a reserve of $20,000,000 the whole amount being invested in government, state, province and municipal bonds. This investment is a guarantee that every claim against it, on the death of an insured member will be paid.

It is operated within the order and only members in good standing can share in its benefits."

Commenting on the membership report Herbert Mathias, keeper of records and seal made an analysis of the developments of the order in various parts of the country.

A part of the report showed the gain made by the order during the period from March to June this year when a universal drive was made to restore former members and a class was initiated in honor of supreme chancellor, Richard S. Witte. More than 50,000 members were added to the lodge rosters during the four months.

The lodge at El Dorado, Ark., made the largest gain in reinstatements. The largest class initiated during the year was at Birmingham, Ala., when 850 men from various parts of the state were given the Page rank. Charity lodge showed a gain of 20 during the time represented in the report.

And the girls remark that they are likely to redden their hands if they wash the dishes.

It is dangerous to ride in automobiles now, because of the congestion, and dangerous to stay at home because you will lack exercise.

EASTVIEW

One evening last week Mr. and Mrs. Ports and children spent the evening with Mr. and Mrs. John Conaway; also Mr. and Mrs. Geo. Wicks, Sr., Mr. and Mrs. George Wicks, Jr., and son Franklin.

Tuesday noon Rev. Mr. Ports and Rev. Mr. Tinkenton called on Mrs. George Wicks, Sr.

Thursday Mr. and Mrs. Harry Ogg entertained Rev. Mr. Tinkenton, Dr. Thomas Mulligan and Rev. Ports.

Mr. and Mrs. Samuel Gore have returned to their home here and intend staying for sometime.

Mr. and Mrs. Dorman, Mrs. Davis, Mrs. Whitehead and children spent the day with their mother at Hampden.

Mrs. Hattie McCauly and Mrs. O. Connelly motored to Philadelphia on Thursday returning on Friday.

Master Edwin Jones spent several days last week with his sister, Mrs. Earl Lovell, of Tyrone.

Mr. and Mrs. Wicks, Sr., in company with Mrs. Ethyl and son Franklin and Elsie Conaway spent Tuesday of this week with Mr. and Mrs. Charles Wagner and Mrs. Walter Wagner, of Smallwood.

There have been quite a few from this place attending meetings at Smallwood as Deer Park is holding tent meetings and the revival has been a success as a few have taken their stand for God and the kingdom, and we hope many more will follow. The sermons have been wonderful and helpful.

On the 8th of October the P. O. S. of A. ladies camp 24, will hold an all round supper including oysters, so all come and show their appreciation and members do not forget we need your support to help make it a success. It will be held in Smallwood hall.

Mr. and Mrs. Charles Wicks spent Sunday with Mr. and Mrs. George Wicks, Sr.

There are but few farmers to thresh in this community as all have been anxious to hear the yield. Some were pleased while others were disappointed.

Corn in this place is at present looking promising.

We are all anxiously awaiting the finish of our road as the cry comes from one and all, "oh my tires." It surely does cut them out.

The boy element say there is great danger of sunstroke if they hoe the garden.

Anyway if our helpless men fall into the river nowadays, there is usually some powerful girl swimmer near by who can save them.

The people in the cities complain of the constant noise at night, while out in the country they can't sleep because of the plaguey quiet.
