Ex.x on her Oath Says made up the Sum of £ 18 . 1 . 8

Old Pot Iron being sold @ 4 Comon Money is the Valuation when 262 lb Charged in the Inventory — all which together with Several other Charges indicating a Valuation in Dollars @ 7/6 induce a Belief that the whole Inventory was Valued in that Currency it is therefore Ordered by the Comm.r Gen.l that an Allowance be made the Ex.x in her final Account of the Difference Arising between the two Curr.ies
