This was ye act of ffrancis Barnes in his perfect health as is under attested hands

Simon Carpender

In the name of God amen —

I ffrancis Barnes of the Island of Kent and in the Province of Maryland being at this time in good health of body and in perfect memory and blessing be God for it and intended for England do make ordain and declare this my will and testament in manner and forme as followeth

Imprimis I give and resigne my soule into the hands of God that made me in hope of a joyfull and blessed resurrection with Christ my saviour and redeemer and for my body I commit it to such decent and Christian burial as time and place will permitt

2dly I nominate and appoint my dearest and loving wife Isabell Barnes my Executrix of and to all my estate real and personall and do request and desire my ffriend Simon Carpender to advise and assist my said wife both for her selfe and the good of my children as is hereafter mentioned and in case it should please God to take my said wife and executrix to his mercy before the fullfilling of this my will or that she should after my decease marry against the mind of my said friend Simon request and impower my said friend Simon Carpenter to doe and act what he shall

see

see good and convenient to be done for the good of my children till they be at age and for the fullfilling of this my will as neare as may be in every particular

I give unto my eldest sonne Thomas that land & plantation now live on at his mothers decease and one fourth part of what stock of cattle or hogs there shall remaine after her decease

I give unto my sonne ffrancis that seate of land & plantation adjoyning to this called by the name of Pettis Lott after his mothers decease and one hundred acres of land that I now have lying in Sanctford Bay and one fourth part of the whole stock as before to his Brother

I give unto my grandchild ffrancis Stevens one hundred twenty five acres of land that I bought of John Jenkins lying neare the wadenpatt lace

And to my two Daughters Mary and Dorathy I give unto each of them as before to their Brothers back of fourth part of the stock and for all household goods and moveables I will and require that the Executrix my wife have the use and benefitt of them during her life and at her decease to be given all equally and proportionably devided to the aforesaid ffrancis and Miles Stevens a fift part and this my will signed by me and witnessed this last day of April 1667
