

I come so far the Democratic Talbot – Somerset & Dorchester Co. Among Democrats I know both sides represented against it – Probably vote will be close in Worcester & Caroline – I should think there will be several Whigs and Democrats against the Democratic ticket on this score – Letters in Balt. this morning. I was told by my friends that Allegany would probably go against the Democratic ticket – that it would be close in Washington that A. Arnold will probably give some 2000 against it – If our friends in Balt. do their duty, there ought to be a heavy vote against it throughout the State – I wish you have seen before this, the newspaper containing an account of our meeting – we took ground against the Democratic & Know Nothing in any form – upon the right of the Dist. & trust you would check me or line, giving the Sheriff your estimate. Can't get you have satisfied of the probable vote in the different counties – I don't think you need have any fears as to the vote on this score. Our people are alive to the importance of the issue & have determined to turn out – I am sorry to say there is no party much in the State for a Convention this, except the resolution that Mr Pinter Davis heard. but that is said to be offered to the administration to bring & coaxing the more radical measures & probably the defeat of Fleemont – I suppose you have seen the proposition between Parnell & P. H. Bond & Hoffman & the latter withdrawing – In haste

Yours &c. Jno A Stewart
