I could find some in
Paris or in the Barke
stores, I shall procure
it for Miss Martha Upson
Brown, and acknowledge
the receipt of the Papers
Col. Wright says we appreciate
Peaches and $1 to the pair.
They have red & gray squirrels
here. The red looks poor &
ugly but I believe they
look upon "Red Sand"
as the best. You said you
would get some of both
sorts out of the same
fields. I shall write
to Brother Robert
before he comes home to
Georgia. He sends love
to you all. Cousin
Robert Wright told me to
give her love. Kiss the
children for me. Dony
