Louisville Feb 9th /68

Dear Frank

I received your letter yesterday evening and a very interesting one. Here is some Tobacco seed that was handed to Henry the other day and as you was the only one that he had to send it to he thought he would send it to you and the name of it is (Warder seed rather Topsy and preferred to any Tobacco in the State.) Laura is well and sends her love to you. Jennie sends his best regards to you and says give his
