J. MARSHALL DENT, TREASURER.

OFFICE OF

COUNTY TREASURER,

OF ST. MARY'S COUNTY, MD.,

Leonardtown, ...190

twelve o'clock. I got off early yesterday morning, and had time to stop at Hollywood & California on my way down & then got to Jarboesville by 9-30. Business was better at Jarboesville than at Hillville, though not up to my expectations. From a business stand point, my trip has been a dull one. I shall call at the Seminary on my way up this evening, but think I will come back here to night, hoping to get a letter from you. I hope the festival was a success & that the Society will have a pleasant meeting to-day. With love & kisses for my precious Sweethearts & all,

Affectly, Marshall
