My dear Mama:-

It has been a long time since I got a letter from anybody at home but got Lilia's postals each day. I know though that Everybody is busy looking after things while Papa is sick. I have worried my self sick over conditions at home. I know I could be of some help yet I dont know what to do. I could get away from here for a few weeks but I believe it best for me to stay here for a while at least. I have a pretty good position here and a splendid opportunity but will gladly sacrifice it all to come back to you if you really think I should. The
