put in for full & immediate separation from the service. The Col. and Brig Gen both has asked me my reasons and I told them as plainly as I could. They had both recommended me for a Captains Commission and I promised Gen Craig a few days ago that I'd reconsider the matter but I have no idea of doing so. He said I was discouraged and I guess he was right but it is discouraging to try to do impossible things work after work and I am through. Maj Gen Ely - Division Cmdr ordered me to Eight to leave his division from (B.B) and I am here now. They have
