Office
City Superintendent of Schools,
1101 Church Street.

Lynchburg, Va., Dec. 26, 1899.

This is to certify that Miss Iva S. Ayres is a graduate of the Lynchburg Public High School. She was a studious and bright pupil, and graduated second in her class, with an extraordinarily clever pupil ahead of her.

After leaving the High School she took the professional course at Randolph Macon Woman's College, and has since had three years' experience in the school room.

I should be glad to have Miss Ayres as one of my teachers.

E. C. Glass,
Supt. Schools.
