MOTHERS and FATHERS

It's up to you to open an account for every one of your youngsters and see that they add to it each week or month—this will foster in them the habit of saving and a plan for the needs of early manhood or womanhood.

THEN the stiffening of the moral backbone and the development of the judgment are sure to come with the practice of thrift.

SAVING MONEY strengthens character through the lessons of SELF-DENIAL; SELF-CONTROL.

THIS BANK IS ALWAYS PLEASED TO HAVE THE YOUNG FOLKS' ACCOUNTS.

Miserable With Backache?

Too Often This Warns of Sluggish Kidney Action.

EVERY day find you lame and achy —suffering nagging backache, headache and dizzy spells? Are the kidney excretions too frequent, scanty or burning in passage? These are often signs of sluggish kidneys and shouldn't be neglected.

Use *Doan's Pills*. *Doan's*, a stimulant diuretic, increase the secretion of the kidneys and thus aid in the elimination of waste impurities. Are endorsed by users everywhere. *Ask your neighbor!*

50,000 Users Endorse Doan's:

Geo. M. Wilson, Easton, Md., says: "A cold settled on my kidneys and they acted irregularly. I had a constant, dull ache across the small of my back and when I stooped the pains were so sharp I could hardly straighten. Doan's Pills rid me of the backache and after I used them my kidneys acted in good order. I haven't had any return of the annoyances."

"BLOSSOM TIME"
AT MARYLAND THEATRE

Next Monday evening, April 9, the brilliant and beautiful "Blossom Time" will be seen again at the Maryland Theatre, Baltimore, for an engagement of one week, with matinees Wednesday and Saturday. On the occasion of its previous presentations here, "Blossom Time" was unanimously acclaimed the most refreshing oasis that had been found in the theatrical desert during the past generation.

With its romantic history of the life and love of the great composer as a foundation, it possesses the very basis element upon which a play of this character may be written, and with that story embellished and made fascinating by the enthralling music of the great composer himself, a combination has been achieved that has proven irresistible.

Nothing more appealing in the way of romance has ever been incorporated in an operetta than the love of the modest Schubert for the sprightly Mitzi, the misunderstanding that leads to the tragedy in the life of the composer through the winning of Mitzi by Schober, and his subsequent calm acceptance of that which Fate has ordained for him.

Musically the piece is rich in melodies of the kind that appeal and linger, and this is easily understood when one considers that practically all the numbers bear the genius of the great composer himself. And with its quaint, colorful settings of the picturesque Vienna of a century ago, and a presenting company that made the fame of "Blossom Time" on Broadway, this now world-famous operetta embraces all the elements that make for a perfect entertainment.

The cast that will present "Blossom Time" here comprises the following: John Charles Gilbert, Robert Lee Allen, Patrick James Kelly, Thomas T. Tracey, George Huntington, Henry Rabke, Carl Shiffler, Otis Sheridan, Gordon Davis, Clyde Jackson, the Misses Genevieve Naegele, Vera Amazar, Yolande Presbury, Pearl Kincaid, Erba Robeson, Sylvia Snyder, Flo Keezel, Louise Rothaker, the premiere danseuse.

"THE FIRST YEAR"
AT AUDITORIUM

The smashing all-American comedy success "The First Year" by Frank Craven will be offered at the Auditorium Theatre in Baltimore April 9 by Messrs. Knopf and Farnsworth, who will direct the Auditorium Guild Players in this genuinely human play of married life.

The production of this comedy affords Baltimoreans and their friends another opportunity to see a popular metropolitan play. Despite its title "The First Year" ran for over two years on Broadway. It is acclaimed by critics as "the best American comedy ever written."

This chuckling comedy from the pen of Frank Craven, whose chief claim to fame has been as an actor of human comedy roles. This same human note which distinguished his efforts on the stage has been successfully transplanted into "The First Year." It is the most human comedy the theatre has produced in a decade.

The title refers to the fact that the first year of married life with all its comic tragedies is the hardest. A girl can never really know whether she has selected the right husband until after she has lived with him for awhile, for at least the first year. Then, perhaps, after considerable regrets and misgivings she will realize whether or not she took the right man. Did Grace Livingstone find she had made a wise selection after her first year? Only the "First Year" will tell. With its deep pathos and delightful humor it brings the people of the comedy to life. It is the story of people you know, perhaps your neighbors, and is being lived in not a few American homes today.

A thin trickle of orthodox philosophy runs through this play that is as simple and wholesome and delicious and American as a plate of wheat cakes. There is a laugh in every line of this comedy of married life.

Miss Lucile Nickolas who has been on leave of absence for the past week will return to the cast to play opposite Kenneth MacKenna. Others in the cast will include Doris Rankin, Harlin Briggs, Lorna Elliott, Fred Tiden, and Niela Bennet.
