a nap before going to R. Springs
where they are invited to tea. Rose
wants to ride horse back but Joe told
her it was much too muddy — and there
was plenty of room for all three of
them in the new buggy — Mr Farwell
would not use your bugg Sunday.
Said it was not safe — one wheel bis
injured some way; he did not go at all.
Fannie Joe seems more like herself
and has not been so fretful. She said
this morning — Money. I aint got nuffen
for my breakfast but bread & coffee.
I asked her what else she would have; ~~to~~
she said I dont belive I wants anything
but some of Rose Woodlands. and cakes.
I got a little for her, and she enjoyed it.
She went to church ~~yesterday~~ Sunday, and report
say she behaved very well. Brother & Sister
went to see Lucy yesterday — found all
well there. Blackstone was thought to
be better yesterday. William & horse
were here to dinner. It is very warm
today. I hope Aunt Eliza stood the trip

and is feeling as well as usual.
Have nothing to write of interest — but
thought you would like to hear from
home, and besides I want Aunt
Lelie to get me 1 yd of goods like the
sample sent, as I have not enough
for Fannie's dress to finish as I wanted
to make it — if it can't be matched, I can
let her wear it with white gauze — I gave
25 cts per yd for mine, on the Ave. I think
it was Johnston & Intrell. All would send love
if they knew I was writing — With
love for yourself & all at home
Dear. I am your affectionate
daughter — Fannie.
