In reply, have to say, I will willingly coop-erate with others, in the dissemination of any information favoring a reduction of the Tariff to a revenue basis; and "a thorough revenue reform"

There are in my County, however, but few, if any intelligent voters who are not in favor of such result, or object. All Democrats ~~& Republicans~~ are in favor, Revenue ~~of~~ system sufficient to meet the honest & economical expenses of the Goot. and the demands of the Public Debt; and oppose all tariffs for protection, and the immensely swindling opperations of the Internal Revenue System.

This County polls over 3000 votes—there being a small majority of white voters: and among the white voters, there are probably, not more than 50 Republicans. They are principally, men of inferior character, ~~or intellect~~ and recipients of Goot favor in some shape. The negroes vote generally the Republican ticket—having been banded together in "Union Leagues" organized by Emissaries sent from Washington, for that purpose. They are begining however, to eschew such party affiliations. and are seeking information from intelligent men of Democrats.
