be Kind and respectful, but not confiding; but to confide in each other, and in those whose affections have always been constant, I desire that the Guardian of my Children shall place them when at a suitable age, at some good Catholic School, and keep them there until they are sufficiently educated, according to their means,

I desire that my Executor, or Administrator shall place in the hands of the Parish Priest, the sum of fifteen dollars, for Mass purposes,

I hereby appoint my nephew John Marshall Dent to be sole Executor of this my last will and testament, and I nominate and appoint him to be Guardian to my Children, George and Lucy, having full confidence that my said nephew will faithfully carry out my purposes and objects, as set forth herein,

If my said nephew should decline, or anything occur to prevent him from accepting the appointments herein made, and set forth, I beg that the Orphan's Court will appoint some well known, honest and good man to act in the place of my said nephew, as Administrator of my estate, and Guardian to my Children; but under no circumstances, to appoint a blood relation, on either side of my Children. But I would not prejudice the Court, against any suggestion
