First account of W. T. Ching, guardian to Oscar F. Ching, passed.

First account of T. H. Fowler and Mary A. Burroughs, admr., A. Burroughs, filed and passed.

Court adjourned to September 17, 1894.

While in Chicago, Mr. Charles L. Kabler, a prominent shoe merchant of Des Moines, Iowa, had quite a serious time of it. He took such a severe cold that he could hardly talk or navigate, but the prompt use of Chamberlain's Cough Remedy cured him of his cold so quickly that others at the hotel who had bad colds followed his example and half a dozen persons ordered it from the nearest drug store. They were profuse in their thanks to Mr. Kabler for telling them how to cure a bad cold so quickly. For sale by Wm. F. Greenwell & Son.

J. Enders Russell Ill.

The friends of Mr. J. Enders Russell will learn with sorrow of his serious illness. He left St. Mary's six or eight years ago and sought employment in St. Elizabeth Asylum. By industry and economy, Mr. Russell soon accumulated enough money to purchase a nice little home in Annacostia, D. C., for which he has paid every cent. We trust he may soon recover.

Irving W. Larimore, physical director of Y. M. C. A., Des Moines, Iowa, says he can conscientiously recommend Chamberlain's Pain Balm to athletes, gymnasts, bicyclists, foot ball players and the profession in general for bruises, sprains and dislocations; also for soreness and stiffness of the muscles. When applied before the parts become swollen it will effect a cure in one half the time usually required. For sale by Wm. F. Greenwell & Son.

Grand Concert.

There will be a grand concert for the benefit of St. Paul's M. E. Church at the Society's Hall, this city, on Tuesday, September 18th, 1894. Besides the local talent, will be Mr. Jno. Fisher, of Washington, D. C., first baritone of the Gondolier Opera Co., Miss Katherine Wilson, a pupil of Professor Bischof, who has been studying under Shakespeare, in London, one of the most celebrated vocal teachers in Europe; Miss Ida Biscoe, whose voice is so well known here; Miss Pilsbury, of Washington; Mr. Lee Jones, of Balto., and others will add their fine voices to the concert. Doors open at 8 o'clock. Admission, 50 cents. Refreshments after concert.

Chamberlain's Eye and Skin Ointment

Is a certain cure for Chronic Sore Eyes, Granulated Eye Lids, Sore Nipples, Piles, Eczema, Tetter, Salt Rheum and Scald Head, 25 cents per box. For sale by druggists.

TO HORSE OWNERS.

For putting a horse in a fine healthy condition try Dr. Cady's Condition Powders. They tone up the system, aid digestion, cure loss of appetite, relieve constipation, correct kidney disorders and destroy worms, giving new life to an old or over worked horse. 25 cents per package. For sale by

WM. F. GREENWELL & SON,

Arrest.

...State's Attorney Camalier, accompanied by Prof. Henry Wingate, Treasurer of School Board, and Jos. M. Mattingley, Esq., appointed agent on the part of the State, proceeded to Washington on Wednesday last, armed with the necessary papers, and succeeded, through the efforts of the efficient Police and Detective Departments of the District, in securing and bringing here for trial, Wm. F. Dent, charged with altering and uttering a check of the Treasurer of the School Board on the Citizens' National Bank of Baltimore.

Call and Settle Up.

During September Term of our Circuit Court, which begins on Monday the 17th inst., would be a good time for those who are indebted to the ENTERPRISE to call and settle up. The tariff question is now settled, at least, for the present, and business is improving, so dont overlook the little bills due your county papers.

County Commissioners.

The County Commissioners were in session Tuesday last, paid off the Supervisors for work on the roads and settled other current expenses.

Check for $1500 was issued to T. Lee Mattingly to pay jurors and witnesses at the coming September Term of Court.

Joseph H. Milburn was awarded contract to rebuild the bridge over the big run near Leonardtown. The bridge is to be of Georgia pine, 6 inch wire spikes are to be used and the total cost is to be $530.

The Court adjourned to Tuesday, September 18th.

A. M. Bailey, a well known citizen of Eugene, Oregon, says his wife has for years been troubled with chronic diarrhœa and used many remedies with little relief until she tried Chamberlain's Colic, Cholera and diarrhœa Remedy, which has cured her sound and well. Give it a trial and you will be surprised at the prompt relief it affords. 25 and 50 cent bottles for sale by Wm. F. Greenwell & Son.

Lady of Lyons.

This celebrated and widely read play was rendered at the Society's Hall, this city, on Friday night of last week.

DRAMATIS PERSONAE,

Claude Melnotte	G. W. Maddox.
Colonel Damas,	T. G. Reeves.
Beauseant,	G. M. Raley,
Glavis,	
Mons. Deschappelles,	Wm. Reeves.
Landlord,	Frank Hayden.
Captain Gervias,	H. S. Reeves.
Captain Dupont,	Harry Slye,
Gaspar,	John Key.
Notary,	
Pauline,	Mrs. G. W. Maddox.
Madame Deschappelles,	Mrs. B. Garner.
Widow Melnotte,	Mrs. O. G. Hayden.

Notwithstanding the small stage and imperfect surroundings the performance was excellent from start to finish and elicited repeated sounds of applause. The characters of Melnotte and Pauline were ably sustained, and would have done credit to more experienced performers, the former being a little off in the use of the proper words in the first few scenes; the voice of the latter being, at times, a trifle weak. Col. Damas and Widow Melnotte and Madam Deschappelles acted their parts without an error except perhaps the wronged mother might have shown her indignation with more warmth and by a change of color indicating, in a greater degree, offended pride and humiliation at her daughter's misfortune. The thoroughly trained cannot always reach this perfection. Beauseant was a mean character and the actor fully sustained the meanness, never forgetting, at any time a full conception of the part. The incident of being out at one time was not generally noticed as the actor caught on in a few seconds. The other characters, personating less important parts, were all sustained and the rendition of the play, taken as a whole, will long be remembered, on account of its excellence, as among the most pleasing entertainment that has been given in this city for a number of years.

ACME BLACKING is cheaper at 20 cents a bottle than any other Dressing at 5 cents.

A LITTLE GOES A LONG WAYS

because shoes once blackened with it can be kept clean by washing them with water. People in moderate circumstances find it profitable to buy it at 20c. a bottle, because what they spend for Blacking they save in shoe leather.

It is the cheapest blacking considering its quality, and yet we want to sell it cheaper if it can be done. We will pay

$10,000 Reward

for a recipe that will enable us to make WOLFF'S ACME BLACKING at such a price that a retailer can profitably sell it at 10c. a bottle. This offer is open until Jan. 1st, 1895.
