CHILDREN'S CLINIC

The June clinic for pre-school children held under the auspices of the Westminster Home-makers' Club in connection with the County Board of Health, will be held on Thursday, May 7th, from 1 P. M. to 5 P. M. in the office of the Extension Service, Times Building.

All children under six years of age will be examined but a special invitation is extended to the children who will enter school this fall for the first time. Westminster's first Tag Day for the benefit of the Westminster base ball team was held on Wednesday, May 30th, and proved to be quite a success in spite of the inclement weather. A number of our attractive young ladies conducted the "tagging," and a report of their efforts follows: Dorothy Sprinkle, $20.58; Mary Campbell, $20.44; Stella Evans, $14.40; Marie Helm, $6.10; Alverta Duvall, $6.05; Virginia Hunter and friend, $5.92; Helen Flater, $5.75; Catherine Sharrer, $4.91; Evelyn Owings, $3.65; Etta Hoffman, $2.78; Elizabeth Cooke, $2.58; Elizabeth Mellor, $2.54; Hazel Flater, $2.35; Katherine Miller, $2.25; Mrs. Bonsack, $1.00. BLUE RIDGE 14—WESTMINSTER 2

On Wednesday, May 30th, Decoration Day, the Westminster Athletic Club lost its opening game of the season to the strong team of Blue Ridge College by the score of 14 to 2, and it is practically certain that all the bad baseball that our boys possessed was worked off in this one game. Let it be stated right here that Bob Ellis was not deserving of the score chalked against him, for under any ordinary conditions he would have pitched a creditable game. But it seemed that our boys had an extremely bad case of stage fright, and errors flew thicker than base hits. This fact is easily attested by the score which shows that Blue Ridge amassed fourteen runs on only twelve hits.

The team from New Windsor showed up nicely both at bat and in the field, and their pitcher, Lichliter, struck out eleven men and allowed only seven hits.

It was quite apparent to the large crowd that a number of our boys are possessed of a goodly amount of baseball ability which will undoubtedly crop out before the season is much older. Our lead-off man, Shorty Groves, showed the way to the hitters by getting a walk, a single, a double and a triple in his five trips to the plate.

BIRTHDAY SURPRISE

A birthday surprise party was given at the beautiful home of Mr. and Mrs. Paul O. Easton in honor of Mr. Easton's 34th birthday. The long table in the dining room was laden with many kinds of cake and also candies, ice cream and root beer to which the guests were invited to help themselves. In the center was a beautiful birthday cake adorned with thirty-four candles. Mr. Easton received gifts including hose, shirts, and handkerchiefs. Many more happy birthdays. In spite of rain until 3 P. M. Decoration Day, a very successful tournament was held at the club's grounds on the Thomas farm, near Westminster. An Ideal *and* An Aim

"The ideal and aim today of the American Telephone and Telegraph Company and its associated companies is a telephone service for the nation . . . enabling at all times anyone anywhere to pick up a telephone and talk to anyone else anywhere else, clearly quickly and at a reasonable cost."

WALTER S. GIFFORD,
President of the American Telephone and Telegraph Company (Bell System)

¶ This statement of the president of the American Telephone and Telegraph Company expresses the ideal and aim of the *Bell System*. It is the principle which has guided the management during the entire life of the system—to give the most telephone service and the best at the lowest cost to the public.

¶ In pursuit of this objective there has been established a great nation-wide system of communication — built and extended in a spirit of service to the public—permitting at all times anyone anywhere to talk to anyone anywhere else, clearly, quickly and at a reasonable cost.

¶ The Chesapeake and Potomac Telephone Company of Baltimore City which furnishes your service is a part of the Bell System. Its policies are the same— to give you the most telephone service and the best at the lowest possible cost.

¶ To this end we are constantly setting higher standards of service—then bending our energies to attain them. The year just closed has witnessed greater progress in this direction than any similar period in the company's history.

¶ This year we expect to do better and next year better still. In this way we are striving faithfully to realize the ideals and aims of the Bell System.
