company, but I am so seldom in the company of Ladies, and particularly in hers, that I cant well say what effect it might have on my Spirits if I was more in their company —

What angelic creature is it that you have given such a description of, where does he live? I am sure I am quite unacquainted with any person that would answer that description — Ask Albania who it was — Be sure and write the ladys name that took your rent — Tell Theophilus Forman I have not seen A. this two weeks, but then and all were —

Yours Remain yr affect.
